FOREWORD

The 1965 *CAT TALE* entreats Po-Hi students to look at the '64-'65 school year through our traditions.

We have chosen as our theme, "traditions". We've endeavored to visualize those which are tangible and to relate by the written word those intangible.

First we selected our proud colors, red and blue, to create a motif which symbolizes a pleasant junction of courage and loyalty. Then we chose four small words which shine from the thoughts and activities of every Po-Hi student. They are Spirit, Loyalty, Service, and Leadership. Our spirit has been questioned in recent years, but having been tried and tested, it remains undaunted in every Po-Hi heart. Our loyalty, though unexpressed, remains a constant urging to do the best for the best: Ponca City Senior High. Third, we serve in all capacities from our own selves as the service of one friend to another, to serving the world by contributing our minds, money, and efforts to its betterment. Fourth and forth we lead. We lead the way to the top making the road known to others who may forbear to scale its lofty path.

Throughout we have tried to point out how these things are evident in everyday Po-Hi life and bind the influence of years of alumni into one book, one year, 1965.

The Victory Flag, a common sight on Po-Hi's campus, has long been a tradition.

SPIRIT

Anger, despair, anxiety, confidence, anticipation; all these make up the spirit of our high school, illustrated on the animated faces of a Po-Hi crowd.

Have you ever been to a football game and not heard the Po-Hi fans cheer? Have you ever been to a basketball game and not heard the packed field house stand up for the team on a bad call? Have you ever seen the time a wrestler has not received a great consolation cheer after a hard-fought but disappointing match? Of course you haven't. Po-Hi isn't like that. The students at Ponca City High School have so fierce a pride and zeal for competition that they make it a manifest thing. The excitement at a sports event, win or lose, could almost be cut with a knife. Even the fans other than students find themselves caught up in the spirit and impelled to help gain another victory.

You see our spirit at Po-Hi not only on the sports field or in the stands but also on the campus, in the halls, and in our very classrooms. It becomes a personal thing with each person to strive to be the best, to make his homeroom, his class, his school the best.

But in recent years our spirit has been challenged. We've been accused of losing school spirit, of having lost the pride of accomplishment to personal glory. But we've been accused by the ones who know us best: ourselves. Isn't that spirit? So spirited are we that we aren't satisfied with what we have been unless we improve upon it in the future.

Po-Hi cheerleaders epitomize, at sports events, the vivacious spirit of the students in all activities.

LOYALTY

The very impressive color ritual which begins most schoo1 assemblies and programs is one of our oldest and most original expressions of loyalty.

Ponca City High School alumni never forget their old, but somewhat improved, friend. The Class of 1915 had its official reunion in our modern cafeteria and were guests at the 1965 Ton-Ga-Wa-Tsi.

Loyalty is the pledging of one's efforts and concern to the cause or institution in which one believes. In the case of Po-Hi, we are loyal to both a cause and an institution. In our school creed we orally pledge ourselves to be loyal to our school and to her traditions.

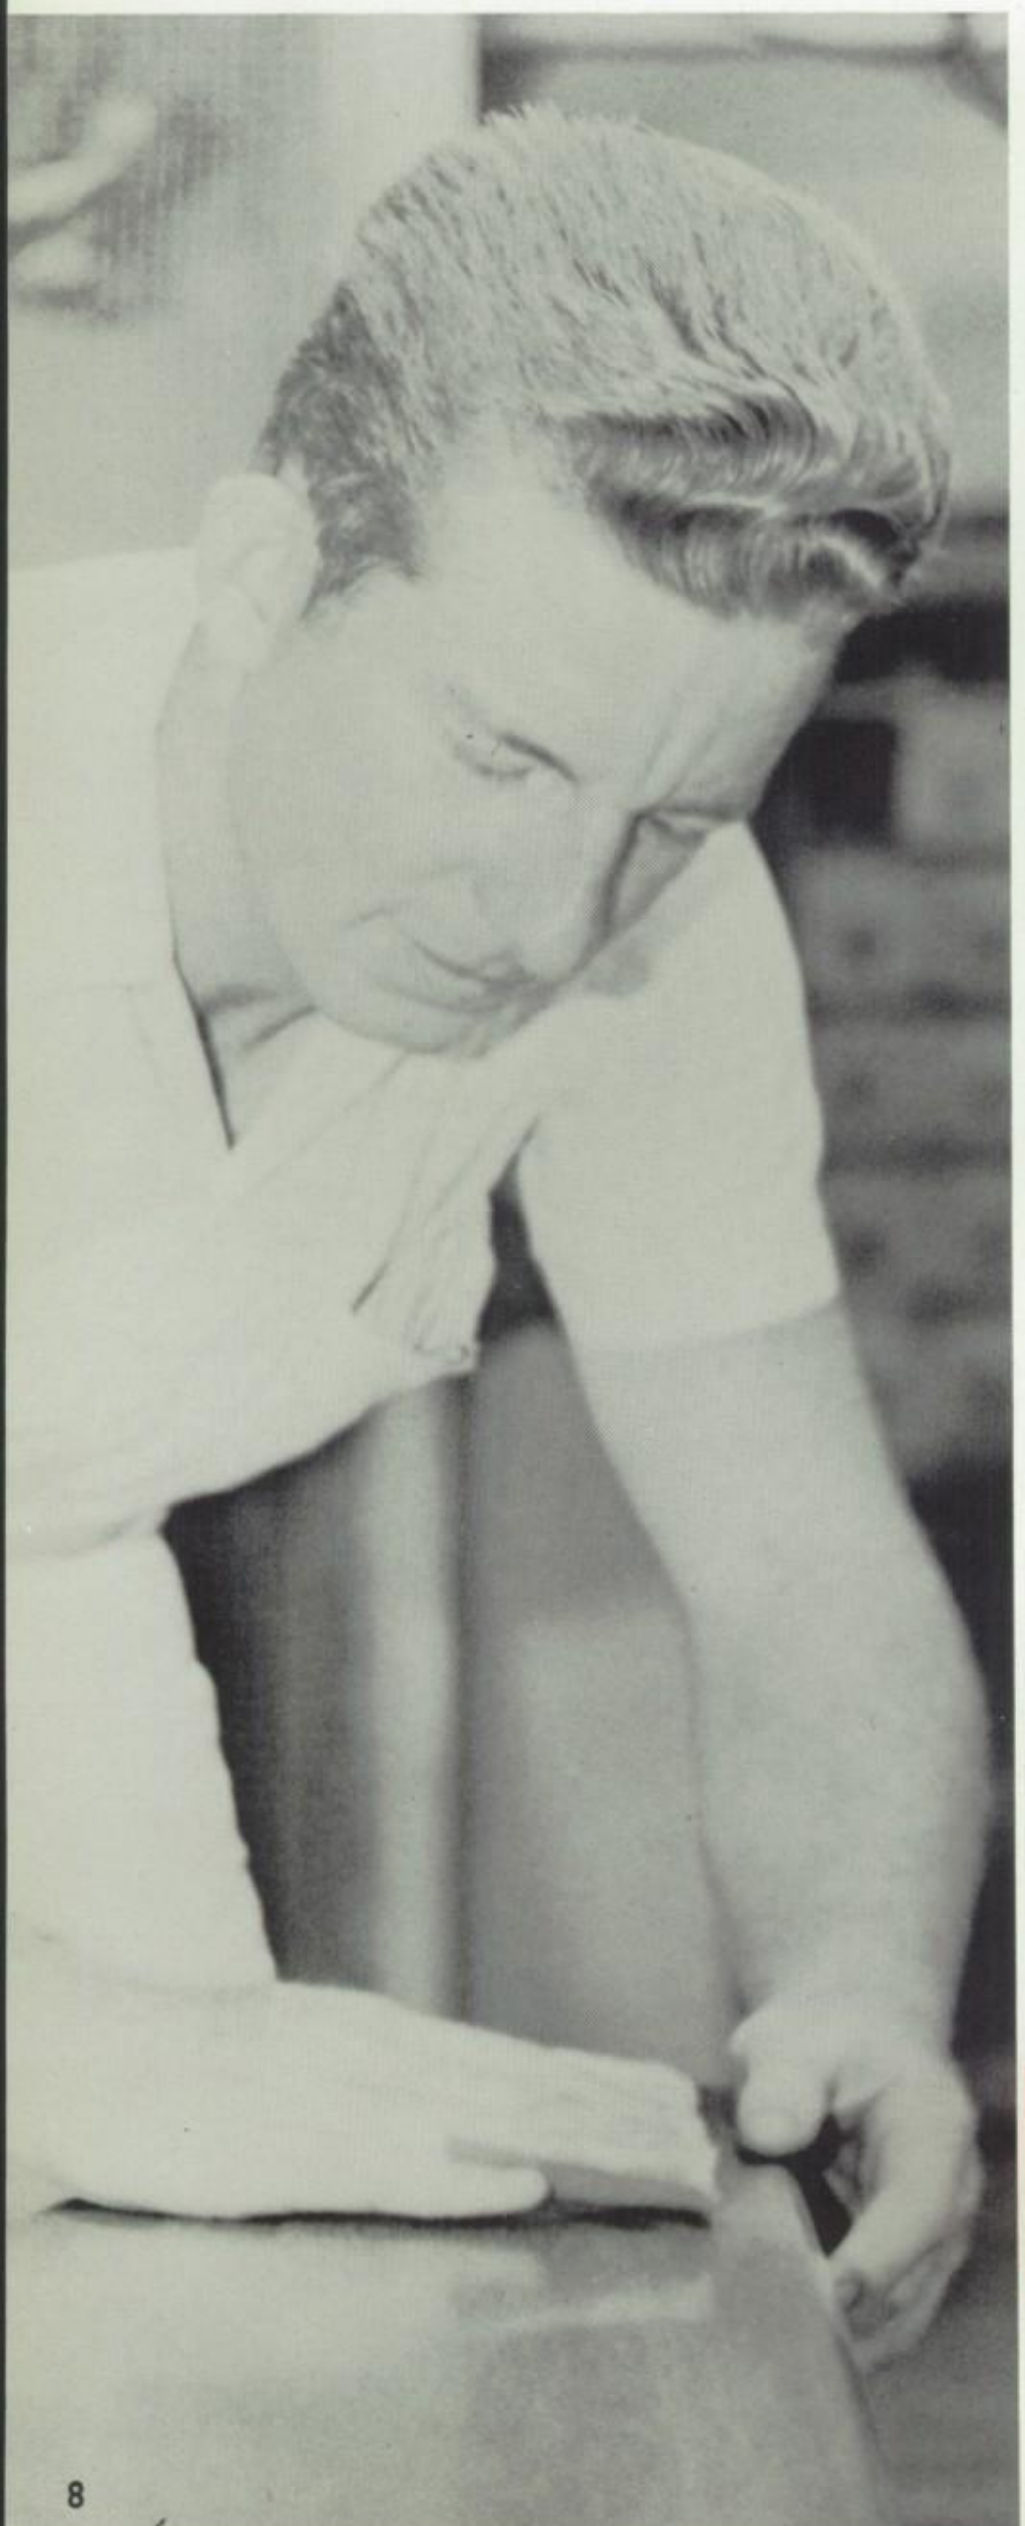
Our loyalty burns as a fierce pride in all we do to represent our school. We never falter under the attacks of our opponents nor break under the strain of competition. For we know that we stand as a unit, so that we can be confident in our striving.

Our accomplishments speak for themselves and demand the respect of those who associate with us.

We can be so loyal because we have confidence in those who have gone before us to lead the way to greatness. We trust their judgement and their examples of how we should act, and we appreciate their organization of the activities we enjoy.

Ponca City High School students also feel a loyalty to greater things, to our state, and to our nation. As exemplified in our concern for their operation by participating in national and statewide clubs, organizations, and programs. We have a reverent respect for these things because we know that we will be expected to promote their ideals if we wish to live in a free society.

SERVICE



The students of Po-Hi are never slow to volunteer their time and best efforts to the betterment of their school. A trade woodwork student made and donated to the school our trophy table.

Ponca City High School has long had a reputation for service rendered by its students, who are willing to aid their friends, school, and community.

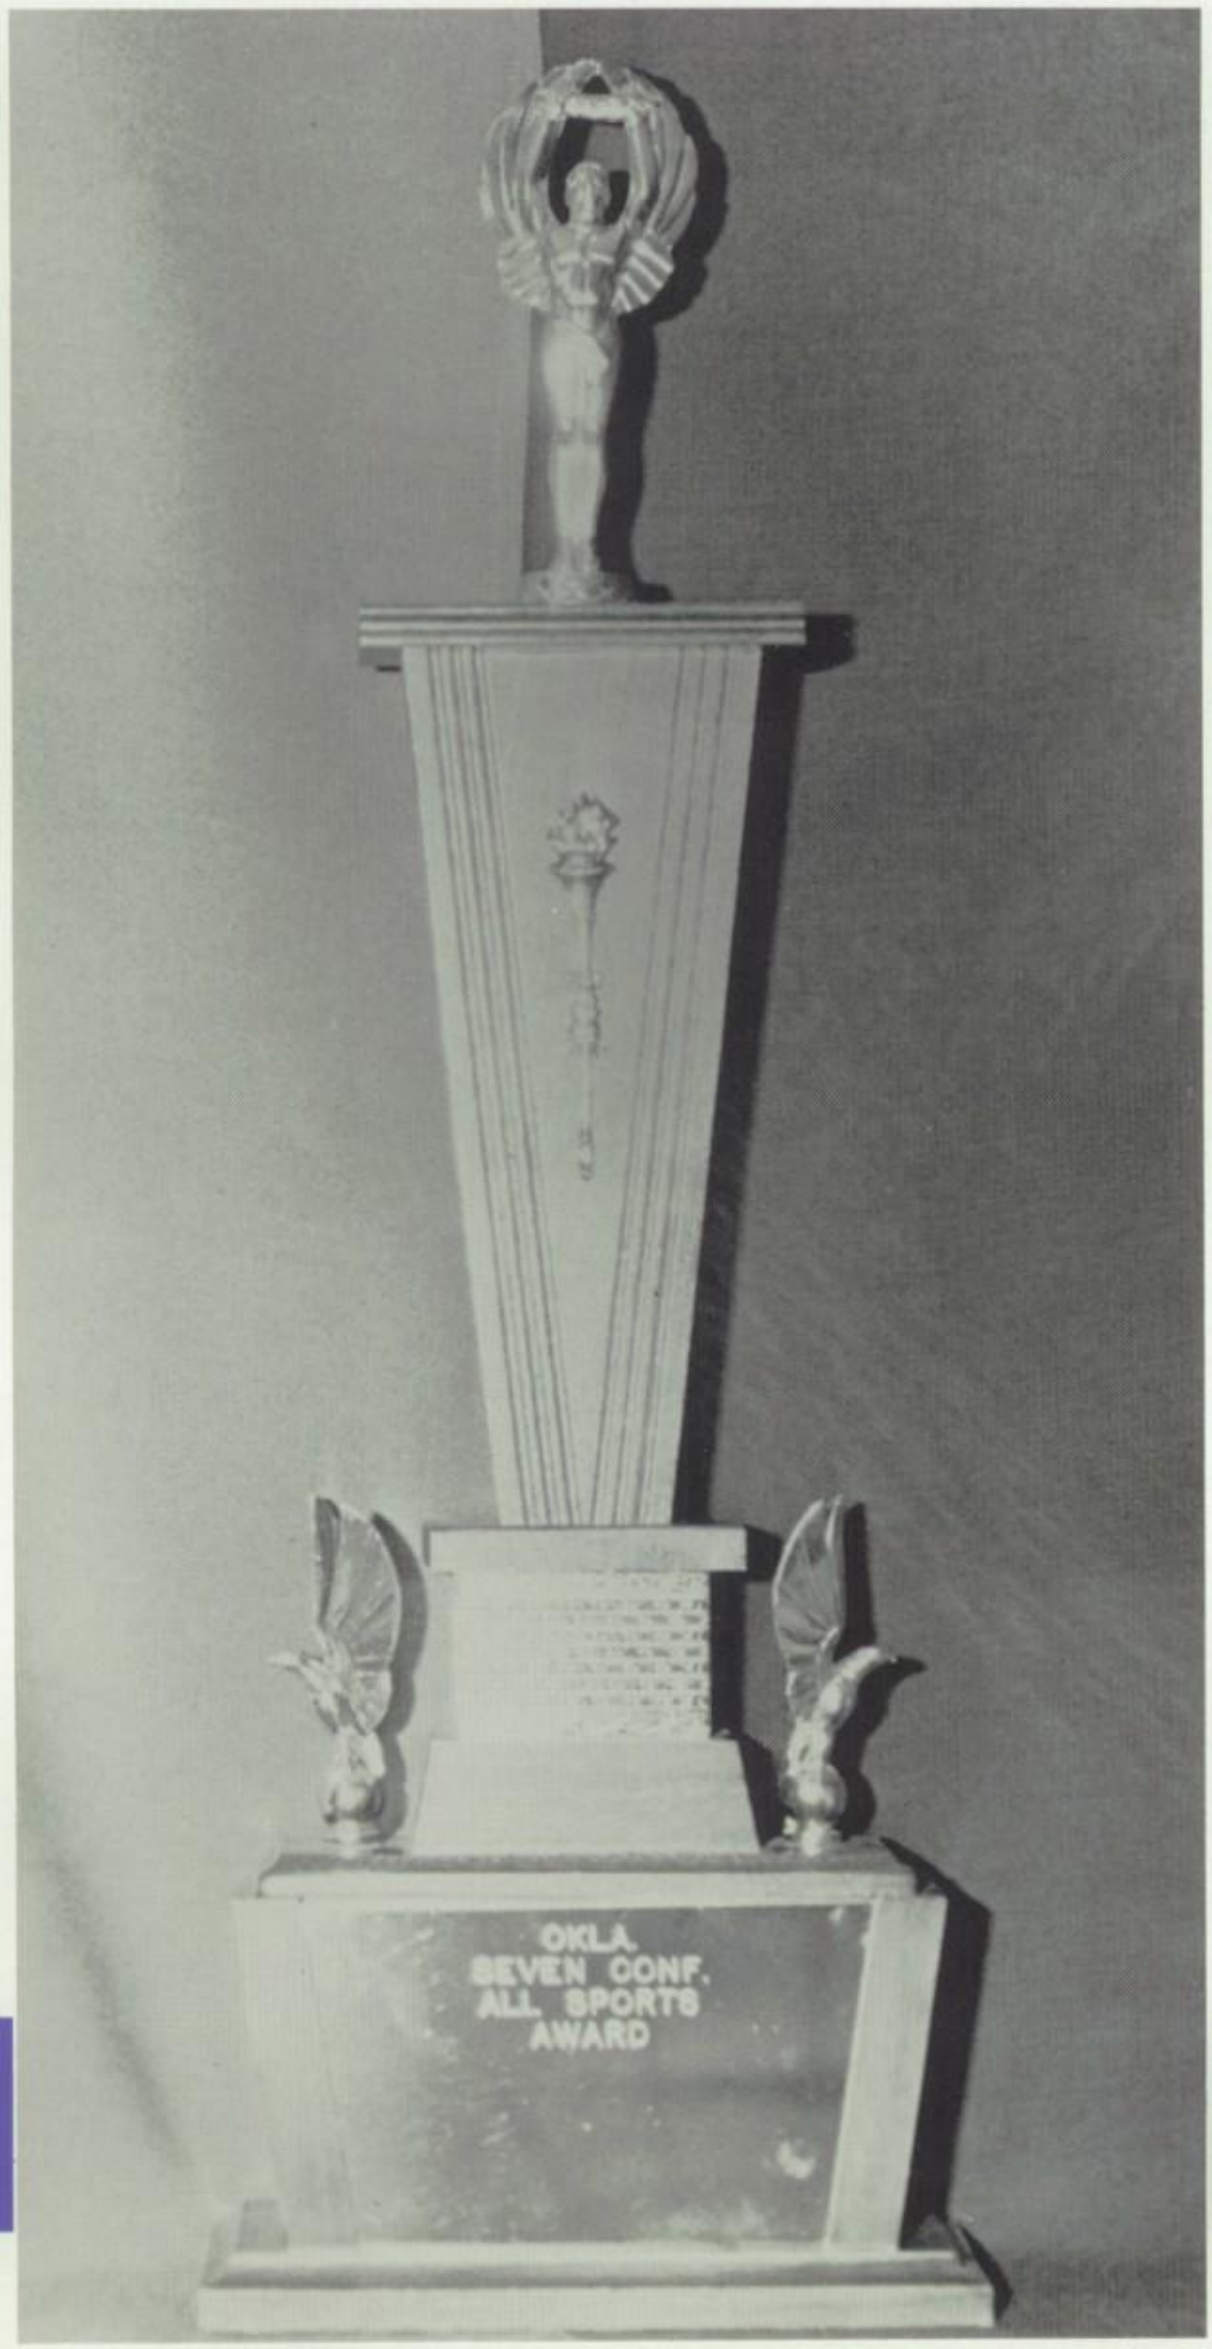
Whether it be cheering up a downhearted companion, giving aid on a tough assignment, or encouraging a nervous classmate in a speech session, you can trust the students of Po-Hi to be there.

One of the goals of the National Honor Society is to be of service to the school. Probably no other institution in the state has more students who are qualified for membership, in this respect, than ours. We serve as individuals and in our homerooms, which sponsor service projects, such as clean-up drives, for the good of the school. More active Po-Hiers join organizations of almost pure service: the Dynamiters Pep Club, the Brush and Palette Club, which painted the scenery for the Operetta, the Stage Crew and Reel Rollers.

Some of these groups extend their service to the community. For example the Hi-Y Club works closely with the YMCA. Individuals often participate in city activities like the Red Cross and Community Chest drives and the Candy Stripers. At Christmas each year, Po-Hi has a tradition of having a school-wide canned foods drive, in addition to many similar homeroom projects to help needy families.

Po-Hi serves wherever it can and will continue to do so as long as there is a need.

LEADERSHIP



One of the many facets of Po-Hi's outstanding leadership comes in her sports. This year our school received the first annual Oklahoma Seven Conference All-Sports Trophy.

The group of the leaders who abound at Po-Hi are represented here by these Tri-Hi-Y and Hi-Y members who hold state offices.

The foundation of a school is only so strong as those who lead the school. Leadership is vested in the faculty, administration, and school board, but they do not give the system its light or enthusiasm. The leaders of youth, the students who accept responsibility and honor to guide their contemporaries, carry the burden of a school's success or failure on their shoulders.

Our school is one whose students delight in taking the initiative. The student council, a composite of many leaders, has accomplished innumerable tasks for the betterment of the student body. Po-Hiers have often been inspired by achievements of others, such as the founders of the Dare Club who followed an example and became leaders of the Moral Rearmament group and the sports lettermen who succeeded in organizing a club to promote high standards of sportsmanship.

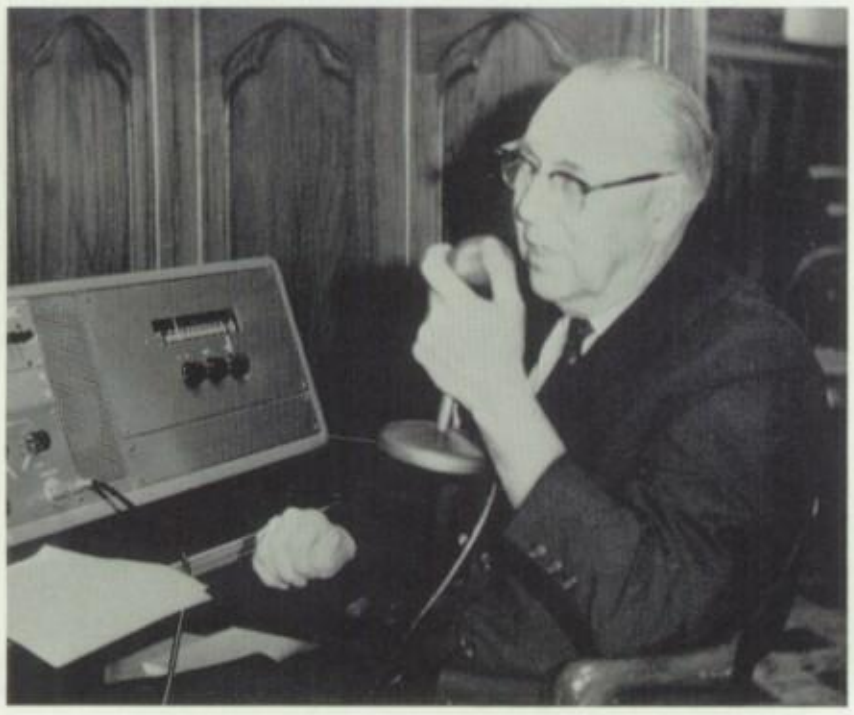
Many successful adults who rise to the height of their careers began to take responsibility and scout the path for others during their high school days. They have learned through Fate's incomparable tool, experience, that to succeed one must rely on his own resources and take very little for granted. Those with the strength and ability to forge the way will find themselves leaders—perhaps without realizing it until glancing at the masses who follow.

We of Po-Hi are fortunate to have so many capable young men and women who are able to guide the student body to seldom achieved heights. We can be proud that our school is one where followers are often inspired to become leaders on their own.

'65 ANNUAL DEDICATED TO HOMER

In 1935, Mr. Homer S. Anderson was elected as the new principal at Po-Hi. Soon, he won the confidence and respect of the school and community by his pleasant personality and his forward looking administration.

His easy smile and warm friendliness became a vital part of every phase of school life. His appearance became commonplace wherever spirit and guidance were needed.



S. ANDERSON

MR. HOMER S. ANDERSON, Principal

Can a man be a living tradition? Webster defines tradition as what is handed down from parents to children in the way of opinions, beliefs, customs, stories, etc. One could hardly say that Mr. Anderson has been handed down from parents to children for thirty years; more appropriately could it be said that he handed down from our parents to us the same wonderful opportunities that they enjoyed.

A tree's roots are its contact with the world. It receives its nourishment, its strength through a storm, and the foundation for its towering monument in the skies from its roots. What then is a man without roots? If he has nothing he can call his own, nowhere he can feel secure, and nowhere from which to receive nourishment for his soul, what can he be? Mr. Anderson has deep, clinging ties to the past and to the future through his tradition of handing down the educational qualities available at Po-Hi from year to year and class to class. As he stands tall and proud among his fellows, he is like the giant oak in the forest, he can see where his influence has fallen and he can watch the growth of those he has led on the way to success.

Looking back on his thirty years of loyal service to his school, one can only feel admiration and respect for the man to which this book is dedicated, Mr. Homer S. Anderson.

BOARD OF EDUCATION ACTS AS THE

Mr. E. M. Trout, President, Dr. J. Win Payne, Superintendent, Mr. Charles Duffy, Mr. Cecil Jordon, Mr. Lawrence Dronberger, Mr. C. W. Rohler, Dr. Milford Lee, Dr. Paul Powell, Mr. C. Richard Pitts, Mr. O. W. Meyer, Mr. Floyd Martin, Mr. R. E. Geren, Ass't. Superintendent, Mrs. Jesse Washam, Clerk.

ABLE ADMINISTRATORS ASSIST SUPT

Mrs. Jesse Washam and Mr. R. E. Geren study job applications.

Two of the hardest-working people in the school administration are Assistant Superintendent of Schools, Mr. R. E. Geren and Clerk of the School Board, Mrs. Jesse Washam.

Mr. Geren received his bachelor's degree from Central State College at Edmond. He received his master's degree from Oklahoma State University at Stillwater. Mr. Geren came to Ponca City in June of 1951 and became Assistant Superintendent in July of 1960. Mr. Geren takes care of all business matters and transactions concerning school properties; he is in charge of the transportation provided by the public schools; he takes care of the school census taken each year; his office is in charge of the repairs, maintenance and the grounds of our nine elementary schools, one special school, two junior highs and one senior high.

Mrs. Jesse Washam, who has been in the Ponca City school system for about thirty-two years, began as registrar for the junior and senior high schools. Today she is clerk of the Board of Education and secretary to the Superintendent of Schools. Mrs. Washam is present at all Board meetings to take the minutes. She takes care of all correspondence concerning the Board and all the records of the Board over the past years.

We at Po-Hi are deeply indebted to these two people who spend most of their time and energy working to improve the quality of Ponca City's schools.

LEGISLATIVE BODY FOR DISTRICT 71

The Ponca City Board of Education is the legislative body for the Ponca City Schools. It decides school policy, sets the budget, hires teachers and school employees, and conducts the elections on school mill levies and other matters that require a vote of the people.

According to the charter of Ponca City, the people of this district elect a nine-member Board of Education. Seven members are elected from each of the wards within Ponca City and two come from the two outlying districts. The term of a school board member is three years and the terms are staggered so that only three run for re-election each year.

At this point the relationship between city government and school district government ends. The School Board works as a separate unit of government.

This year our local school board was faced with mounting problems. Increased enrollment had to be coped with as well as financial difficulties and replacement of some top school officials. To meet increased enrollment, the Board authorized the construction of a new elementary school which will be ready by the 1965-66 school year. To meet growing costs, the Board of Education set a record budget for the 1964-65 year. To replace the superintendent and the principals of Po-Hi and West Jr. High, the School Board made a diligent search for well-qualified men, and after careful consideration, hired some very highly trained replacements to fill these jobs.

VETERAN BOARD MEMBER RETIRES

Mr. E. M. Trout who has been on the Ponca City Board of Education since 1929 and has been its president since 1941 retired from the board in April. He has been elected to the Board of Education from Ward II for twelve three year terms or a total of thirty-six years. Prior to being elected president, he had served on various committees. He was chairman of the Insurance Committee for a number of years and contributed very valuable assistance in getting coverage of school properties into a scheduled form.

The following buildings have been constructed since Mr. Trout has been on the Board: Liberty, Lincoln, McKinley, Washington Woodlands, and Roosevelt elementary schools; East Junior and West Junior High Schools; Senior High Shops Building, Senior High Anderson Building, and Senior High Field House. The following buildings have been remodeled and have had additions built on to them: Garfield, Jefferson, and Attucks Elementary Schools; the Administration Building, and the Senior High Howell Building.

Since Mr. Trout has been on the Board of Education, enrollment in Ponca City has more than doubled from 3,312 in 1929 to 6,657 in 1965.

Every student in Ponca City High School and every student that has come to Po-Hi owe Mr. Trout a debt of gratitude for the thirty-six years of service he has given this community and this school system. Mr. Trout has worked indefatigably without remuneration, except his own satisfaction, in building and developing our schools.

MR. E. M. TROUT

PAYNE WINS NAT'L RECOGNITION

Dr. J. Win Payne leaves the Administration Building for the last time before going to Napa, California.

Dr. J. Win Payne, nationally known educator and Superintendent of Public Schools in Ponca City since 1946, resigned at the end of this school term to take a position as Superintendent of Schools in Napa, California.

Dr. Payne received his Bachelor's Degree from Central State College at Edmond and his Master's Degree from Oklahoma State University. Dr. Payne came to Ponca City in 1938 and has been Superintendent since 1946 following the death of Superintendent C. P. Howell.

Dr. Payne was granted a sabbatical leave of absence in 1961 by the Board of Education to study at the University of California at Berkeley towards his Doctor of Education Degree which he was granted.

Dr. Payne's service to the field of education has been great and very extensive. He has been President of the Oklahoma Education Association, President of the Oklahoma School Administrators, a member of the Executive Committee of the American Association of School Administrators and in 1963, Dr. Payne was elected President of the American Association of School Administrators.

During Dr. Payne's service as Superintendent, Ponca City's public school system has gained a reputation as being one of the finest systems in the country. Since he has been Superintendent, he has been faced with larger duties due to increased enrollment, but has continued to build the reputation of Ponca City schools.

The Board of Education has named Mr. Allen Robson, presently principal of West Junior High, as the new Superintendent of Schools. Mr. Robson, who received his Doctor of Education Degree this summer, assumed his new duties as of June 1, 1965.

We extend to Dr. Payne best wishes in his new position in California. He has brought to us in this community distinction and honor through his unselfish service. This service will certainly be missed by all who love good schools and efficient administration. We are sure that Dr. Payne will add much to the school system of Napa, California.

Dr. Payne's pleasant smile will be missed by all.

No school can survive the day-to-day problems of administration without a capable, willing office staff. The eight secretaries which make up our staff are confronted daily with an infinite number of duties.

Mrs. Dunn, Mrs. Reeves, Mrs. Sanders, and Mrs. Heffron, secretaries in the Main Office and the "C" Building, keep the attendance of the 1700 students enrolled at Po-Hi. All students' academic accomplishments are also recorded on permanent transcripts.

In the Financial Office Mrs. Heinze manages the finances of the school, keeps the accounts of the homerooms, clubs, and other school organizations.

Mrs. Keller, Activity Office secretary, schedules all the inter-scholastic and extracurricular activities, and keeps a record of memberships in student organizations.

Mrs. Sebor and Mrs. Chambers, each employed during a different semester of the school term, assist in the library. As their official title of clerical assistant indicates, they type all cards for the card catalogue. Besides preparing new books for shelving, they aid in the circulation department.

STUDENTS ASSIST IN PO-HI OFFICES

MAIN OFFICE: *Bottom Row:* Lauralyn Williams, Susan Quinn, Linda Skinner. *Second Row:* Janis Harris, Jennifer Frost, Susan Howard, Frances Loucks. *Third Row:* Randa Richardson, Jane Ellis, Janet Cortright. *Fourth Row:* Vian Farnam, Gayle Adler, Margie Hein, Carolyn Dorf. *Fifth Row:* Jack Katz, Tom Morris, Roger Kibbons, Pat Kelley. *Top Row:* James Johnson, Jim Morrison.

"C" OFFICE: Jane Young, Donna Cross, Nancy Kelley, Jana Middlebusher. *Seated:* Mrs. Heffron.

Students who work in the Main Office and "C" Office have many and varied duties. Assisting the secretaries, they answer the phone, deliver student messages, file papers and cards, and work on attendance.

Homeroom finances, student fees, and such matters are efficiently managed by the Financial Office. Different students every period aid the secretaries by performing many clerical duties.

In the Activity Office the student office help aids Mrs. Keller in directing and scheduling student extra-curricular activities such as the Pon Dram Panic and the Curtis Magazine Drive.

The students who work in these offices willingly give up their study halls to assist in the conducting of school business. There are twenty-five students who work in the Main Office. Two to seven students work each hour. Seven students assist in the "C" Office, and seven students assist in the Activity Office. The Financial Office occupies the time of twelve students.

Not only do girls show their ability to do clerical work, but also boys do a big part of the secretarial chores.

FINANCIAL OFFICE: *Seated:* Cathy Christy, Sally Edwards, Madeline Stewart, Cynthia Coleman, Pam Friend, Fred Hutchings, Mike Eaton, Richard Scharnhorst.

ACTIVITY OFFICE: Robin Daily, Connie McAbee, Carolyn Griffin, Virginia Davis, Marsha Oulds, Kay Sober.

BOOKSTORE AIDS PO-HI STUDENTS

Diane Mahnke, Linda Franke, Judy Engle, and Anna Hercyk, daily assist Mr. Focht in the Bookstore.

Have you ever run out of paper or been without a pencil? Our school bookstore sponsored by the Student Council has these and many other supplies. The Bookstore also serves as a source of revenue for our Student Council.

Four girls who work one hour each day operate the Bookstore under the supervision of Mr. Floyd Focht. The Bookstore is open daily from 8:00 A.M. to 3:15 P.M. The Bookstore is conveniently located on the second floor of the Howell Building.

The Bookstore stocks over three hundred and fifty paperback books. The selection is wide and varied including history, literature, and English and foreign language dictionaries. Almost any classic needed for English class can be found in the Bookstore. Many students find it useful to buy an extra copy of Shakespearian plays as an aid in their studies in English.

The Bookstore also handles senior announcements. All Dynamiter supplies are also carried by the Bookstore.

CAFETERIA SERVES VARIED MENUS

Top: Vera Jean Officer, Jean Hall, Doris Townley, Wilma Covill, Bernice Ball, Carrie Hendrickson, Irene Mead, Faye Hunt, *Bottom:* Mabel Lawson, Francis Tipton, Charlotte Pitts, Delma Rivers, Doris Hicks, Evelyn Guier, Dorothy Clarke.

Mrs. Ruby Chapman, Director

Each day our school cafeteria under the supervision of Mrs. Ruby Chapman serves over thirteen hundred students. The students have a wide variety of foods from which to choose their lunch. Each day the cafeteria serves a meat and a meat substitute, along with soups, salads, vegetables, and home-made pastries. The snack bar offers hamburgers, hot dogs, malts, and ice-cream bars.

The many guests who visit our fine cafeteria have complimented the cafeteria on its food and the students on their courtesy.

The high school cafeteria serves three major banquets during the school year. Before school started they served three hundred and sixty at the first teacher's banquet. They also serve the School Master's Dinner. The guests which visit our school for our College Night are served dinner as part of the program.

Student Cafeteria Help: Keith Burge, Eddie Kempernich, Everett Staggs, Gaylord Ross, Kenny Faucher.

PO-HI STUDENTS ASSIST LIBRARIANS

Front row; Jane Young, Felecia Dailey, Terri Hunt, Diana Lancaster, Evelyn Harris, Linda Koehn. *Back row;* Evelyn Wright, Joyce Mohler, Nancy Kelly, Wesley Vogt, Edwin Wildes, Elta Mae Harman, Nancy Goodman, Judy Palmer, Marilyn Ealick.

Books! Books! Books! The Po-Hi library, under the direction of Miss Elva Curtis, librarian, is literally full of books for the use of both students and teachers, but the library would be useless without the help provided by the student assistants. Each year approximately thirty-five students serve the school by using a free period in the library. The students serve in several capacities of library work. They assist in checking books and magazines in and out, collect fines, catalogue and repair materials, and collect and distribute building passes.

Without the volunteered service from these Po-Hiers, the librarians would be too busy to help individuals.

INFIRMARY STAFF HELPS STUDENTS

Whether you have a headache, a cold, or a rough test ahead, you know the infirmary is always there to help.

The two Po-Hi infirmaries are staffed by girls who relinquish a study hall to serve our school.

Mrs. Davenport supervises the infirmaries and student assistants.

Located on the second floor of the Howell Building and the foyer of the "C" Building, the infirmaries are easily reached by students all over the school.

Although they rarely perform "major" surgery, many a headache has been remedied by the helpful student assistants.

These infirmaries and staffs are a prime example of willing service to our school by our students.

Front row; Linda Farnsworth, Mrs. Davenport, Trudy Ginger, Diane Fincher. *Second row:* Marsha Greenshields, Sally Ochs, Joyce Royster.

CUSTODIANS MAINTAIN HIGH SCHOOL

Custodians, *Bottom:* Louis Yellowhorse, Mrs. Dotson, Mrs. Davenport, Matthew Moore. *Middle:* L. L. Cloudd, K. W. Russell, Floyd Cobb, Arlie Eberle. *Top:* Charlie Potts, Frank Bewley.

Arlie Eberle, third floor Howell Building custodian, cleans the Home Ec. room after a long day.

Have you ever noticed how clean the halls and classrooms of Po-Hi are? Have you stopped to appreciate our beautifully landscaped campus? These things and many more are a result of the fine work done by our fine staff of custodians. This hardworking crew is busy year round to keep the school in tip-top shape for the benefit of students and teachers alike. The custodians are always at work on the classroom floors and halls, as you've probably noticed by seeing fellow students slip on the slick, shiny surfaces laid by the group.

They are ready, willing, and able workers who will help any student who needs their assistance.

BUS DRIVERS, ALWAYS ON THE JOB

Throughout the school year, whether during a spring thunderstorm or sub-freezing winter cold, the Po-Hi bus drivers are always on the job.

With a large percentage of Po-Hi students living outside the city limits, these bus drivers play an important part in their daily activities by transporting them to and from school.

The Ponca City School system does not own the buses, as is found in most cities, but the drivers own the buses and are paid by the Board of Education. This type of program results in better service for the students as drivers receive contracts only if they render courteous and efficient service.

Po-Hi exhibits one of the most beautiful campuses in the state which is augmented in the morning each day before school by its students

CLASSES

Perhaps the day will come when we Po-Hi students have an opportunity to reflect upon our experiences as young people approaching the manifestations of our ambitions.

Our memories will be diverse, encompassing weekend adventures as well as the traditional school activities. We will recall Saturday afternoon football games, "dragging Grand", pizza after the show, and dancing to the local bands. But perhaps most vivid in our minds will be recollections of our classes and friends attending them with us.

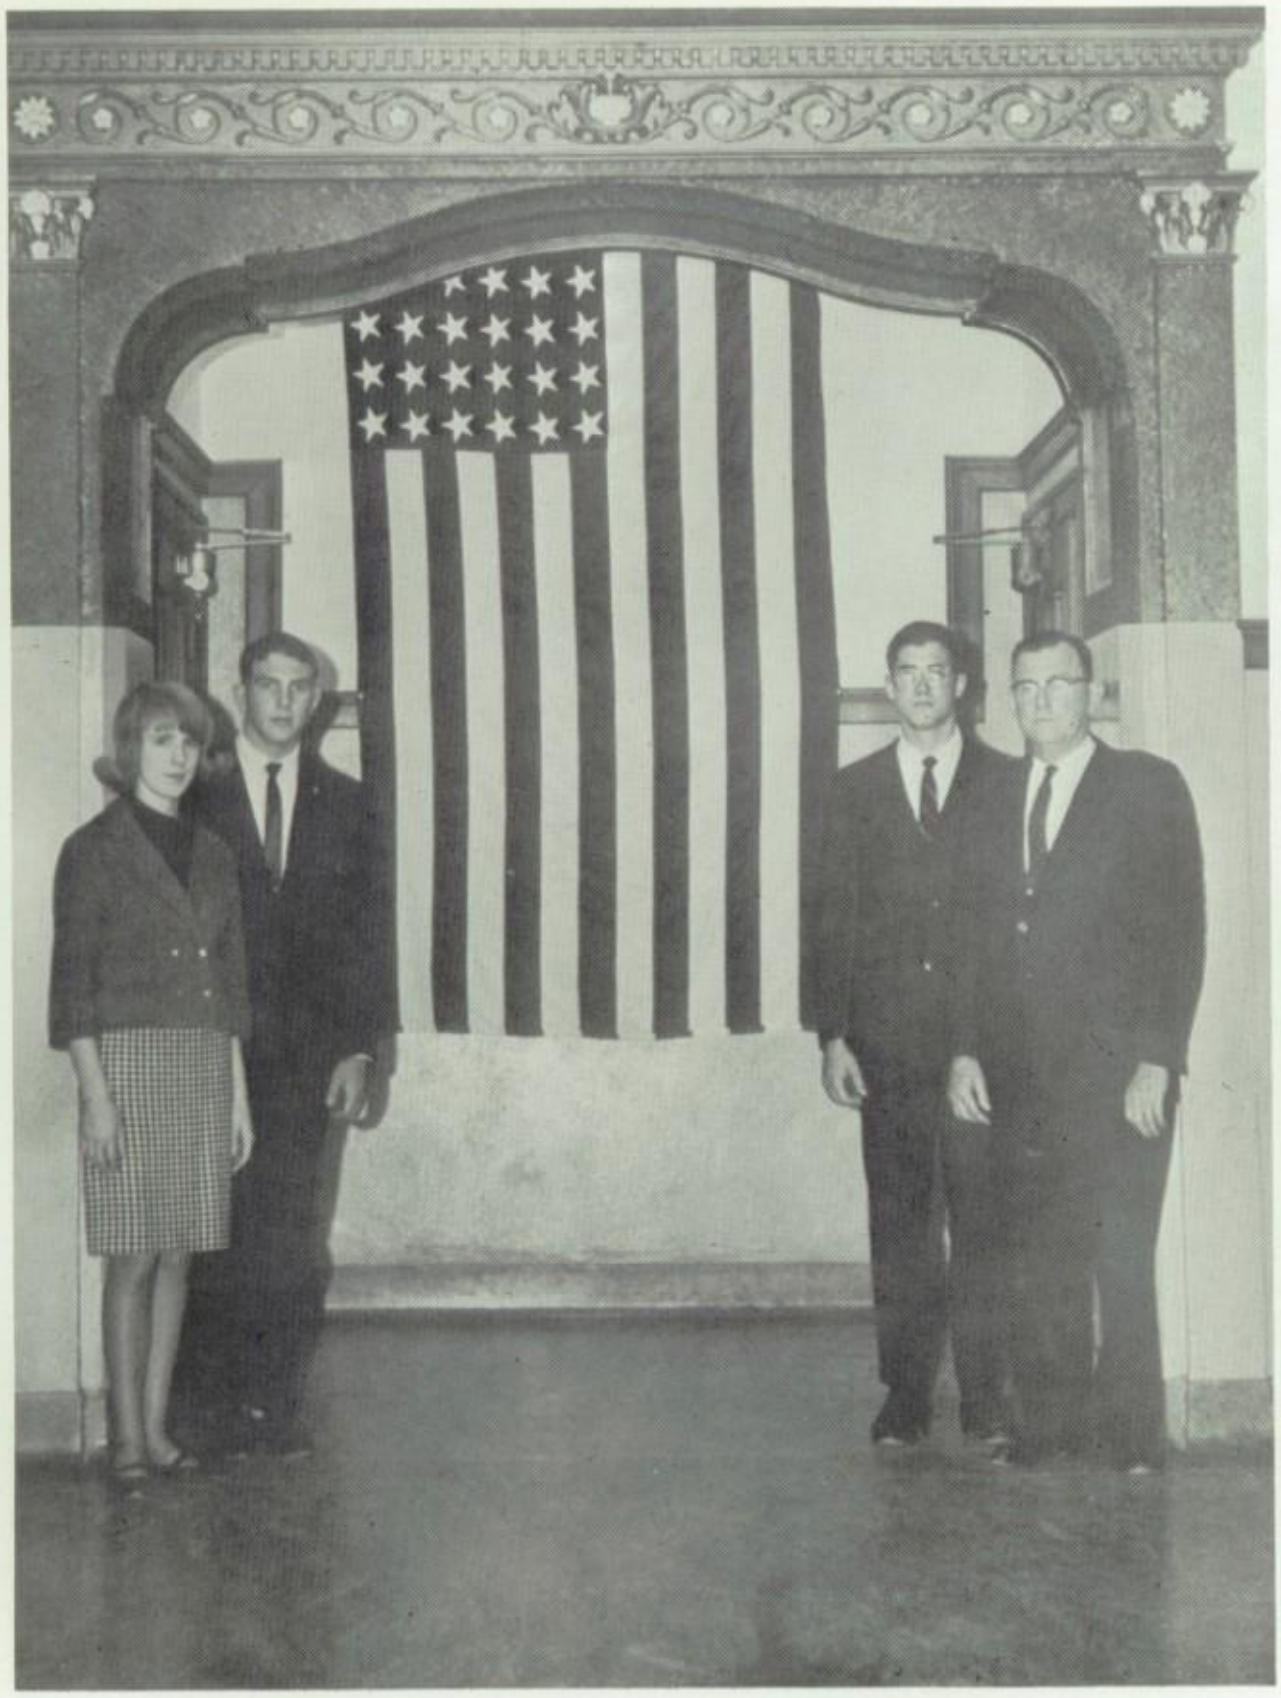
The classes are the academic foundation of the school life. They provide an environment complimentary to the learning process. For the remainder of our lives we will be employing and profiting from the knowledge imparted to us in Po-Hi's classrooms. Aside

coming to the day's classes, with their books and assignments under their arms.

from its essential usefulness, we may remember the traditional classroom fun and riotous laughter, the quiet silence of a study period, the challenge of a class discussion.

Remembrances of nervous apprehension before a speech class, endless repetition of dialogues in the foreign language lab, the squeamish feeling of dissecting that first frog all contribute to the mass of incidentals which evolve into a whole concept of life at Po-Hi which is shared by all her students.

The instructors endeavor to prepare us for higher education and self-reliance. Into an atmosphere of preparation and vigilance, an aura of lighthearted happiness is invariably injected. Perhaps one day we will be able to realize the complex fusion of these seemingly contradictory elements.



'65 SENIORS, ANDERSON'S LAST CLASS

Standing in front of the Boring Flag which is displayed in the halls of Po-Hi from November 11 until the Christmas holidays to honor all former students who served in the armed forces are the Senior Class officers. They are Diana Brown, secretary, Gary Watson, president, Mike Woods, vice president, and Mr. Floyd Focht, class sponsor.

The 1964-65 Senior Class consists of over 500 students, making it the largest class to graduate from Ponca City High School. They will have the distinction of being the last group of students to graduate under the guidance of Principal Homer S. Anderson.

The Senior Class strives to provide leadership and inspiration for the undergraduates who will soon have this responsibility.

A primary duty of the Senior Class is organizing and sponsoring the Annual Alumni Game and dance honoring former students during the Christmas holidays.

The upperclassmen demonstrate their abilities and talents in such school-sponsored projects as the Senior Assembly and Senior Play. The assembly, which takes place in the spring, is traditionally a variety program, allowing many seniors to participate. The 1964-65 class presented the play *The Night of January 16th* which was widely acclaimed by students and faculty alike.

Ponca City High School has adopted several programs to guide and encourage young people in the development of social and educational philosophies. These programs include senior meetings with Dr. Edwin Fair of the Kay Guidance Clinic and the annual College Night which enlightens students to opportunities for higher education.

The social aspects of a high school career are climaxed each May at the Junior-Senior Prom. The Prom night festivities, including the coronation, Grand March, dance and after parties, are sponsored by the juniors in honor of graduating seniors.

JOHN MOSCHO'S DREAM REALIZED AT PO-HI

JOHN MOSCHOS
Ste Anastasia, 6
Rhodes-Dodecanese
Greece

Dear Friends,

Everyone in his life has a dream which he wishes to make it a reality. Some succeed, some fail. Fortunately I am among the first. I have realized my dream; I came to the U.S.A. and to the most beautiful of all the states, Oklahoma, in the best high school, Po-Hi, and in the best family all over the world, the Kirks.

My year among you, I can say, is the best of my whole life; full of marvelous experiences and learning. When I came almost I could not speak English and everything was strange and different, and above all, before, there were three other AFS'ers who had given to you a very good idea of foreign youth. So I had not only to be familiar with my new life but to give my best in order to compete with Jean-Louis, Rike and Nelly.

John gains insight into the character of American youth by taking a job at the local theaters.

In this hard work you helped me very much with your love, with your friendship. A whole year passed almost like a moment with homeroom parties, AFS Club, Student Council and other activities.

Now comes the time of the departure. May be I can never come back and meet some of you, but be sure that in my whole life I'll remember all of you, remember that the U.S.A. won another friend in Greece. I hope that the same will feel some of you for my country. I hope also that my work has succeeded, that I have been a good ambassador of Greece.

Now, my friends, I am going home. Farewell. Farewell Ponca—my second home. For a whole year I enjoyed your generous and friendly hospitality. Good-bye to football games, good-bye to hamburgers and cokes, to TV's, cars, and winter coats.

Good-bye to all of you.

John Moschos

JUNIOR CLASS HOSTS THE PROM

The main project of the Junior Class each year is the hosting of the annual prom for the Senior Class. The class officers and the vice-presidents of all junior homerooms form the planning committee for the prom. This committee selects the theme around which the prom will be planned. Each junior homeroom is responsible for the decorations of a designated area which is to be decorated in accordance with the chosen theme of the prom. Immediately preceding the prom, the seniors are the guests at two open houses which are held by various Junior Class members. At the coronation of Prince and Princess Po-Hi the Junior Class President serves as master of ceremonies and the other two class officers assist in the actual crowning of Prince and Princess Po-Hi. The juniors render a great service to our school by hosting the prom.

One of the highlights of the year for the Junior Class is the junior play. This year the Class of '66, under the direction of Mr. James Murphy, presented "Arsenic and Old Lace". The play was acclaimed as one of the best ever presented at Po-Hi. The proceeds from the play went to help finance the various projects of the Junior Class.

One event to which the juniors especially looked forward was the receiving of their class rings.

Many juniors began their preparation for college by taking the National Merit Scholarship Test, and the P.S.A.T. S.A.T. tests.

This year's Junior Class will have the distinction of being the first class to be graduated by the new principal. However, they will long remember their first two years at Po-Hi under the direction of Mr. Anderson.

ART CLASSES DEVELOP CREATIVITY

Drawing a design to fill in with tempra, Sharon Sittel practices use of good art layout.

Football games provided inspiration for this painting by Steve Pensoneau in Art II.

Pictured in the student lounge are the Sophomore Class Officers with their sponsor: Win Yeary, President; Mrs. Kelley, Sponsor; Karen Lansdown, Secretary; Larry Rawdon, Vice-President.

578 SOPHS FIND NEW EXPERIENCES

The largest class ever to enroll at the Senior High School, the Sophomore Class, with 578 students, began the year with the annual mixer in the student lounge. This was an opportunity to meet and to become acquainted with fellow class mates.

Sophomores have an opportunity to enroll in many different classes. Looking to a future career, they selected either a college preparatory course or a vocational training course.

Participation in the Music Department was outstanding. Many tenth graders are members of the band, orchestra, or glee clubs.

As they approach their sixteenth birthdays, the Sophomores enroll in drivers' education. Upon completion those qualified took their driving tests for a license to drive.

Clubs were a large part of the Sophomores' school life. Although they were limited to membership in two, they actively participated in the organizations of which they were members.

Sophomore boys also participated in such competitive sports as football, basketball, wrestling, tennis, golf, track, cross country, and swimming. Their importance to Po-Hi was great as they will compose the future varsity squads.

A number of girls brought home medals and broke many state records when they traveled to state swimming meets.

The Sophomore Assembly in January was presented by the Sophomores selected at the try-outs. The purpose was to display the versatile talents of the future upper classman.

Sophomores discovered enjoyment in the student lounge during the lunch period, listening to records and playing ping-pong and checkers.

Dr. Fair met with the Sophomore Boys and Girls separately at sessions throughout the second semester. Advising the students on social and personal problems, he answered individuals' questions.

The Sophomore Class of 1964-65, as all Sophomores spending their first year "on the hill", had many and varied experiences. New friends, new knowledge, new accomplishments, and new problems were their school life.

Sophomores Merl Wright, Randy Dailey, and Connie Cunningham become fascinated with the Freedom Shrine in the "C" Building.

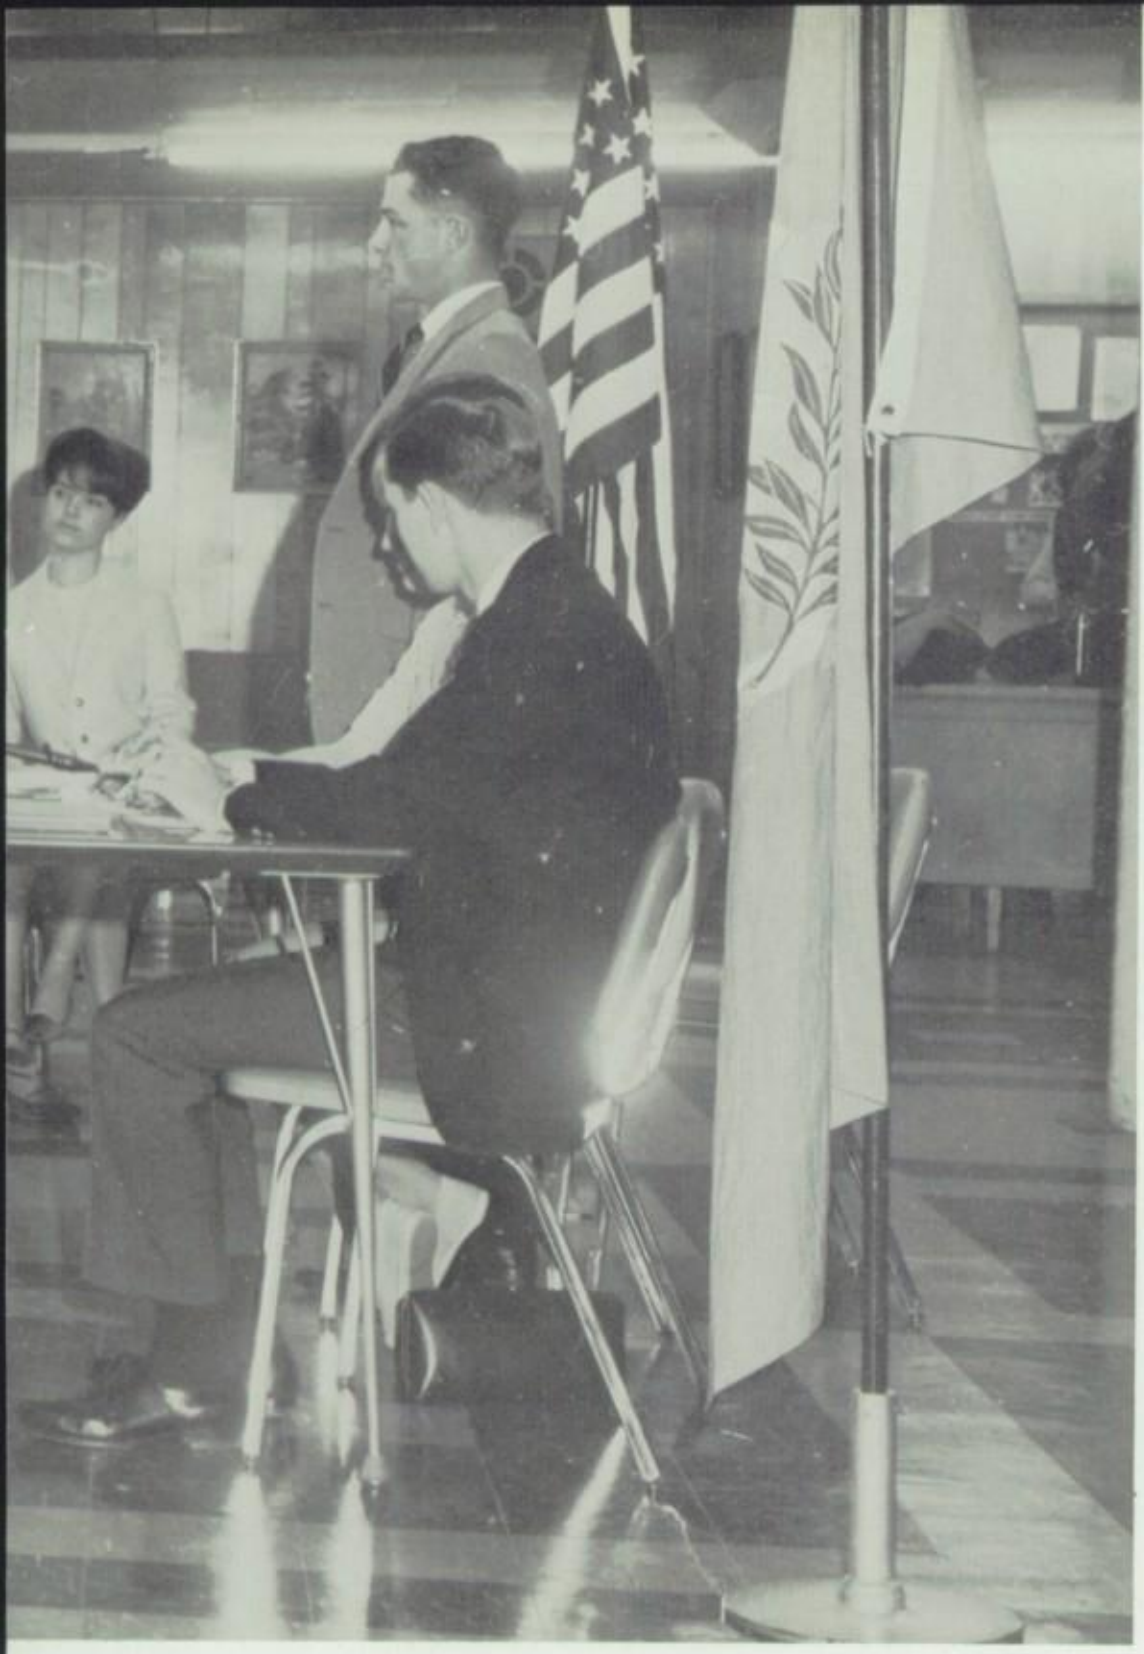
ORGANIZATIONS

The organizations of Po-Hi have long been acknowledged as one of the treasured traditions of our school. In these organizations the students are able to combine their efforts in achieving a common goal and living up to their groups objectives.

In 1965 two clubs were initiated into the traditional organizational circle of Po-Hi. The Lettermen's Club has been established to improve the quality and character of the athletes and athletics of our school. The Paramedic Club endeavors to give young people whose interests lie in the medical profession experience and insight into their chosen fields.

Three long-established organizations at Ponca City High School are the *CAT TALE*, the *PONCAN*, and Student Council. These groups provide a basis for record-



ing, reporting, and governing our school life.

It has been Po-Hi's custom to have open membership in many of the larger clubs including Hi-Y, Tri-Hi-Y, and Dynamiters. These clubs serve not only their school but their community as well.

In order to be established as an official organization of Ponca City High School, these clubs must be sponsored by one or more members of the faculty and hold their meetings on school premises.

Although the heart of our school life is centered about the academic aspects of the learning process, the social and cultural enlightenment received through the clubs and organizations are of undeniable benefit to our future success.

1965 CAT TALE STAFF STRIVES FOR

Gary Livingston, layout editor, instructs Myra Dritch, junior staff member, on the correct way to type copy on a layout sheet.

After attending the O.I.P.A. workshop Karole Sanders, Clark Sole, Dave Gillogly, Nancy Fair, Gary Livingston, and Mr. Ingersol, *CAT TALE* sponsor, examine the O.I.P.A. rating for the 1964 *CAT TALE*.

As any of the *CAT TALE* staff members can tell you, much work and effort goes into the production of a top quality yearbook. The editor of the *Cat Tale* assigns each member of the staff designated pages which he is to arrange and design for the yearbook. The layout for the page must meet certain requirements as well as be interesting and eye-catching. The pictures for the page must be scheduled and taken. The appropriate copy must be written and typed on the page. When a page is completed it must be proofread and approved by the editors and sponsor before it is sent to the publisher.

Those sophomores wishing to be on the staff must present a written application stating their qualifications and reasons for wanting to be a member of the staff. The applicants are also interviewed by the staff and their sponsor, Mr. Ingersol. When the appli-

Junior staff members Kathy Gardner and Jim Beaubien ponder over their copy for the Hi-Y and Tri-Hi-Y pages.

SUPERIOR ANNUAL

cations and interviews have been evaluated the staff members and the sponsor select the new members by secret ballot. The new junior members work under the guidance of a senior staff member, gaining experience in all phases of yearbook production, while the senior members hold the various editor positions.

During the year the *Cat Tale* staff attends the annual Oklahoma Interscholastic Press Association workshop which is held at the University of Oklahoma. At the workshop the staff receives the rating for the yearbook of the previous year as rated by the Oklahoma Interscholastic Press Association. Also the members attend various lectures which are given by qualified journalists on topics related to yearbook planning. Through these sessions and actual experience the members are better able to produce a yearbook of which we all can be proud.

Mr. Ingersol, *Cat Tale* sponsor, and Dave Gillogly, *Cat Tale* Editor, discuss plans for the greatest yearbook ever published at Po-Hi.

Business manager, Nancy Fair, arranges her index of all Po-Hi students. "Let's see now, how's that alphabet go?"

1st CHOICE FOR "TIMES FOR TEENS"

This year for the third consecutive year, the *PONCAN* staff has acquired a new sponsor. Miss Anna Margaret Anderson, a graduate of Oklahoma University, has taken over the responsibilities.

Under her direction work sixteen members, led by the editor-in-chief, Ben Roebuck.

The staff, besides putting out a *PONCAN* every two weeks, has attended several meetings and conventions of Journalism students. This year, in addition to the regular Oklahoma Interscholastic Press Association conventions in the Spring and in the Fall at Norman, they attended Journalism Day at Oklahoma State University, and were the first choice invitation to "Times for Teens", at which they produce and present a page for the *Oklahoma City Times*.

The staff puts out seventeen issues. This consists of fifteen regular issues published by the regular staff, the sixteenth issue produced by the Journalism I class, from which the 1966 staff will be chosen, and the seventeenth, a special commencement issue dedicated to graduating seniors. For added interest color overlays were used in some publications.

Sally Edwards and Ben Roebuck sort out and arrange old *PONCANS* for staff reference.

HI-Y INTRODUCES BILLS AT ACTIVE

The Hi-Y Club is a YMCA service organization for boys of high school age. The Group's purpose is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

The boys try to be of service to the community by refereeing the seasonal YMCA sports events. They work throughout the football, basketball, baseball, and wrestling seasons, helping youngsters to increase their athletic prowess and demonstrate good sportsmanship. They also join with the Tri-Hi-Y to sponsor the sale of concessions at the games.

The Ponca City group sent representatives to the annual Hi-Y convention at Western Hills State Park. The boys attended group sessions and individual discussion groups to exchange ideas on youth conformity and non-conformity. The Hi-Y supported and campaigned for Tri-Hi-Y's candidate for State 2nd Vice-President.

Sophomore, Junior, and Senior Clubs compose the Club as a unit.

Po-Hi Preview, a WBBZ radio program put on by Hi-Y, is dedicated to informing the public about future events sponsored by the Club and stimulating parents to take a more active part in school sponsored activities. They interview officers from the classes, Student Council, Clubs, the *Cat Tale* editor, and other students to further inform the public. The program was heard every Monday afternoon from 4:05 P.M. to

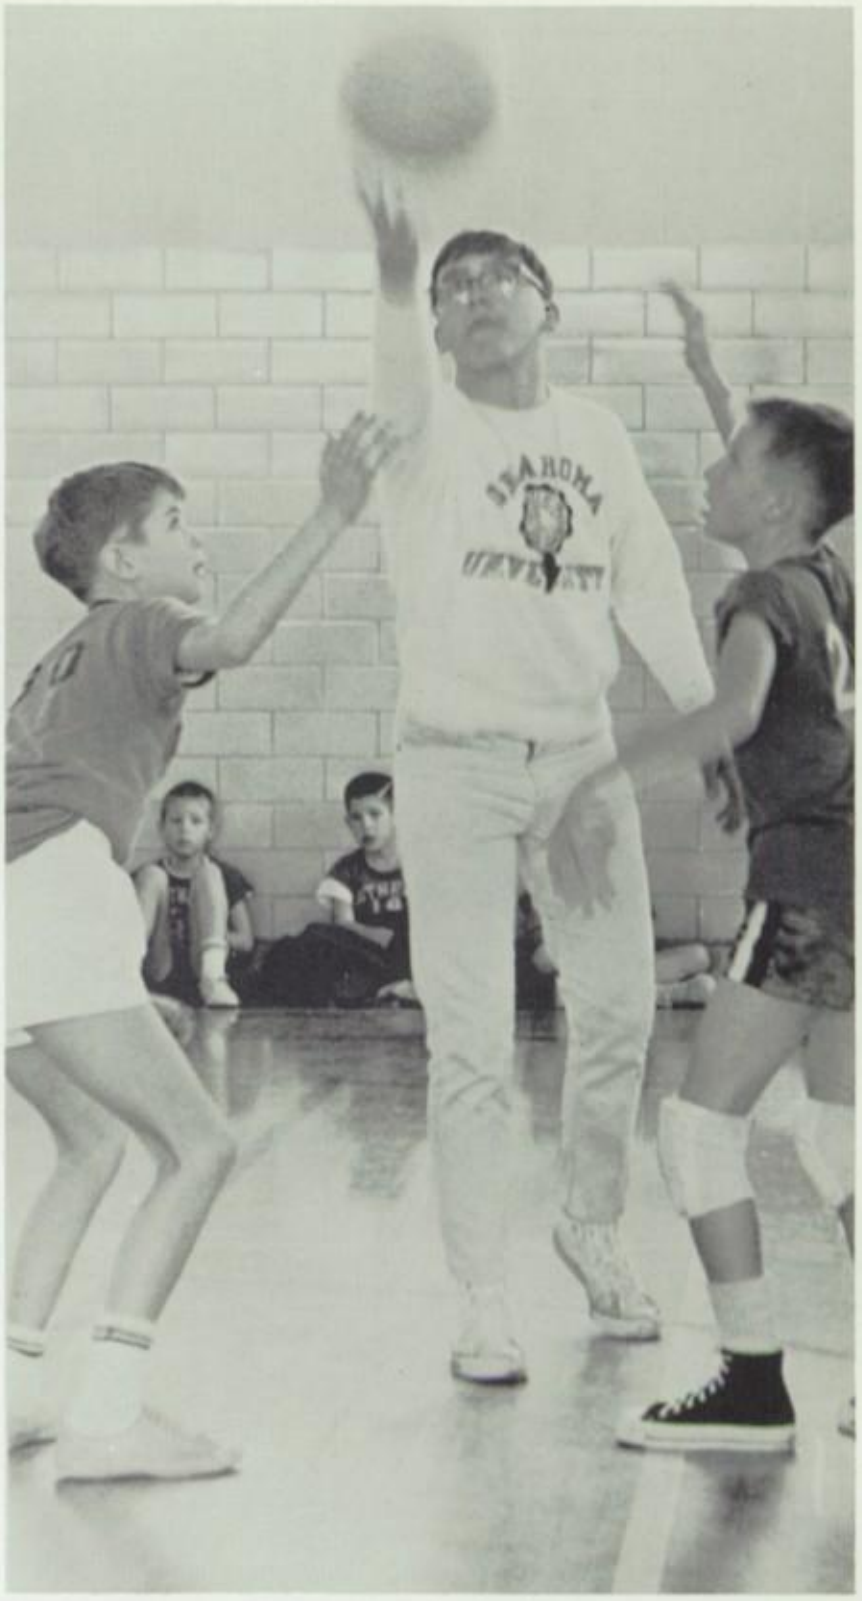
PRE-LEG SESSION

4:15 P.M.

To raise money for the National Council's World Service project, the Hi-Y sponsored pop bottle drives to finance their $150.00 contribution.

Ponca City's Club composes the largest Hi-Y chapter in the state. They attend the Pre-Legislature meeting at Stillwater in February. The purpose of Pre-Leg is for the members to learn about parliamentary procedures.

The Highlight of the year comes in April when the Club goes to Youth and Government. Youth and Government is run like the State Legislature. They meet in the State Capitol building. The meetings last three days.



John Northcutt is one of many boys who referee Y.M.C.A. games on Saturday mornings.

PO-HI AND CITY

The Tri-Hi-Y club, which forms a counterpart to the boys' Hi-Y group, is another of Ponca City High School's Christian service organizations. All junior and senior girls are eligible to become members.

The slogan of the group is "Pure thoughts, Pure words, and Pure actions . . .". The girls try to uphold this ideal in such worthwhile community activities as contributing to the YMCA World Service program which benefits young people overseas, operating the concession stands for local YMCA sport events for grade school children, preparing holiday gift baskets of food for the needy, and taking charge of the ticket sales and promotion of the Ponca City Junior Miss contest. They are responsible for organizing the Leap Week dance and activities each February.

The 1964-65 schedule of events was begun with a coke party in the student lounge given by the senior girls to contact prospective members and explain the objectives of the club. In October the junior and senior officers attended a training program in Oklahoma City devised to help young people develop qualities of leadership in order to better guide their club. The Ponca City chapter sent about seventy representatives to the annual Hi-Y State Conference at Western Hills State Park. This year Ponca City was honored by the election of its nominee, Luana Locke, to the office of state second vice president. The group was represented at Pre-Legislature at Stillwater and Youth and Government at Okahoma City, where the delegates were able to gain experience in political administration and the process to be followed in the passage of a bill. The Club closes each year's activities with the presentation of the Tri-Hi-Y scholarships to three senior girls who demonstrate outstanding abilities not only in scholastic achievements, but also in personal qualities such as integrity, ambition and leadership.

The girls, together with their sponsors, Mrs. Maxyne Kelley and Mrs. Martha Christensen, constitute a club of about 100 members. They meet bi-weekly in the school cafeteria, where each meeting is begun with a religious invocation and a moment of silent prayer.

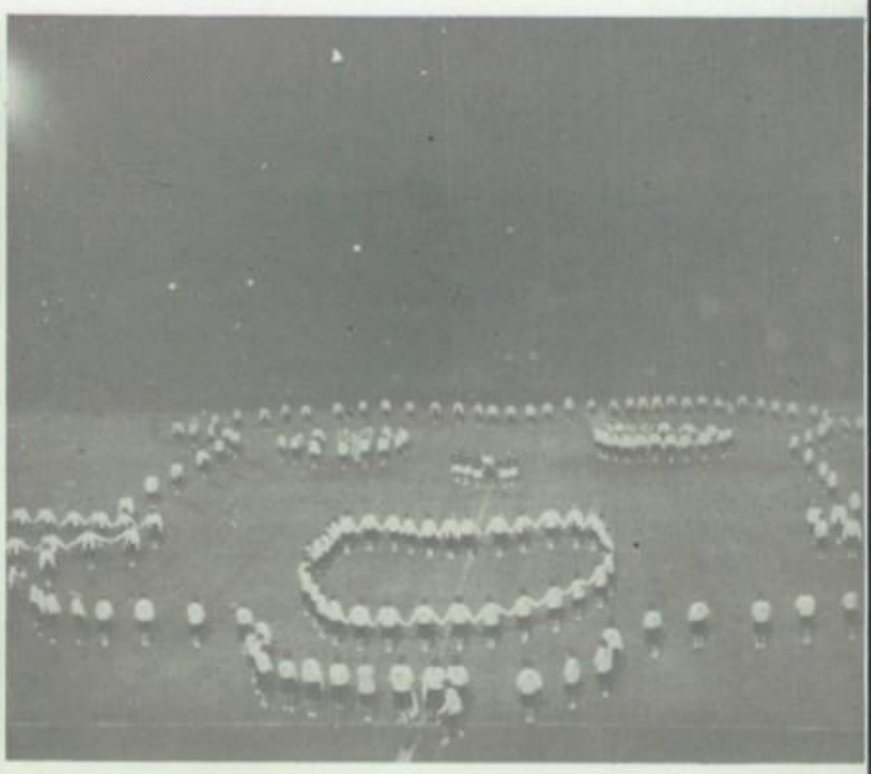
PEP CLUB GIVES ROBUST SUPPORT

Cathy Christy, Sec.; Jane Carlile, V. Pres.; Gayle Northcutt, Pres.; and Kathy Stephenson, Treas., pool their efforts to make clever flower arrangements to decorate the tables at the annual football banquet.

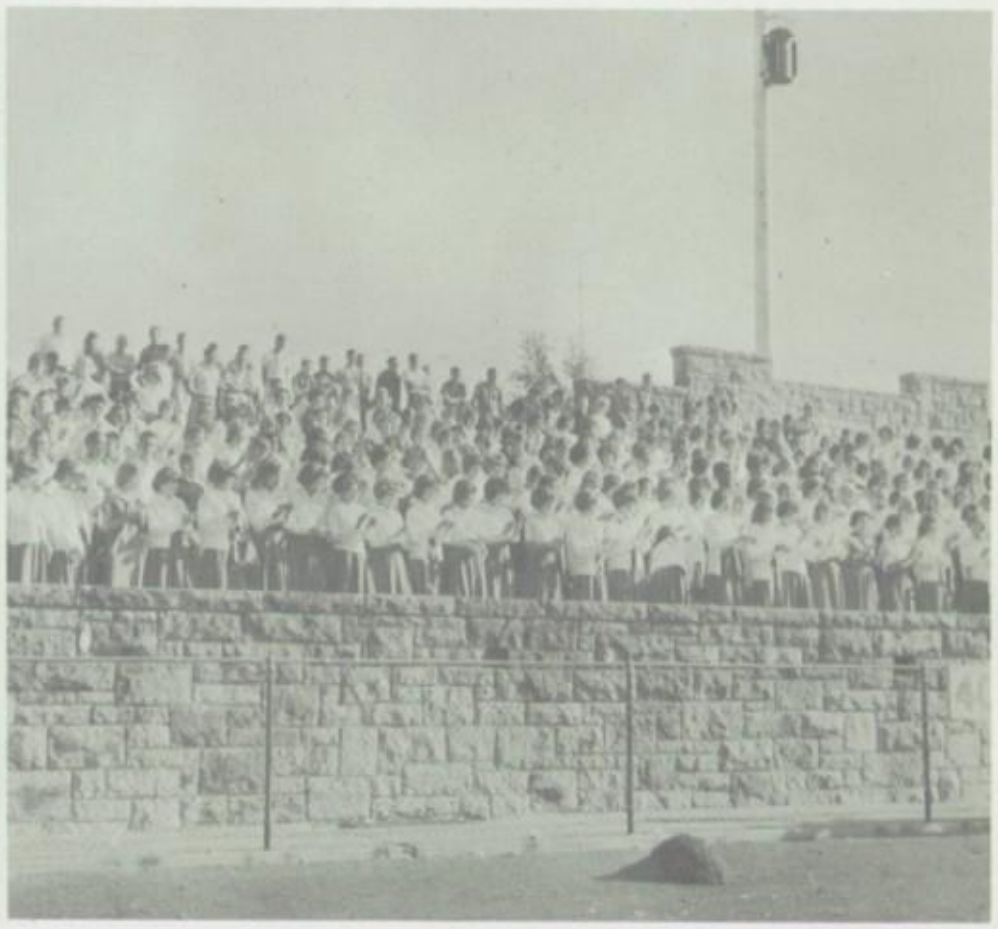


For halftime at the homecoming game, the Dynamiters practiced hard to successfully present a skit in which they formed a cat.

SCHOOL SPIRIT BEGINS WITH VIGOR

Mrs. Marie Moore, sponsor, spends much time planning skits and activities for the well-known Dynamiters.

Before school on a game day, the Dynamiters held an all-school pep rally to introduce the sportsmen.



One of the oldest and most firmly established clubs in Po-Hi, the Dynamiters, has completed one of its most successful years. Led by Mrs. Marie Moore, sponsor, and Gayle Northcutt, president, they have braved rain, freezing weather, and other quirks of nature to cheer our sportsmen to victory.

The Dynamiters have indirect methods of supporting the athletes—such as decorating the dressing room before football games, sponsoring a dance to finance warm-up jackets for the Wildcats, organizing a car caravan to Blackwell, and securing bus transportatior to Tulsa Rogers.

During the 1964-65 season the Dynamiters performed original and complex routines, including the special Halloween skit with flashlights and the homeroom float parade at the Muskogee homecoming game.

Although the pep club is primarily known for promoting organized support at the football games, they continually direct their enthusiasm toward the numerous other sports and become stronger and more influential every year.

They are the largest pep club in the state, proud of their membership of nearly 300 enthusiastic girls.

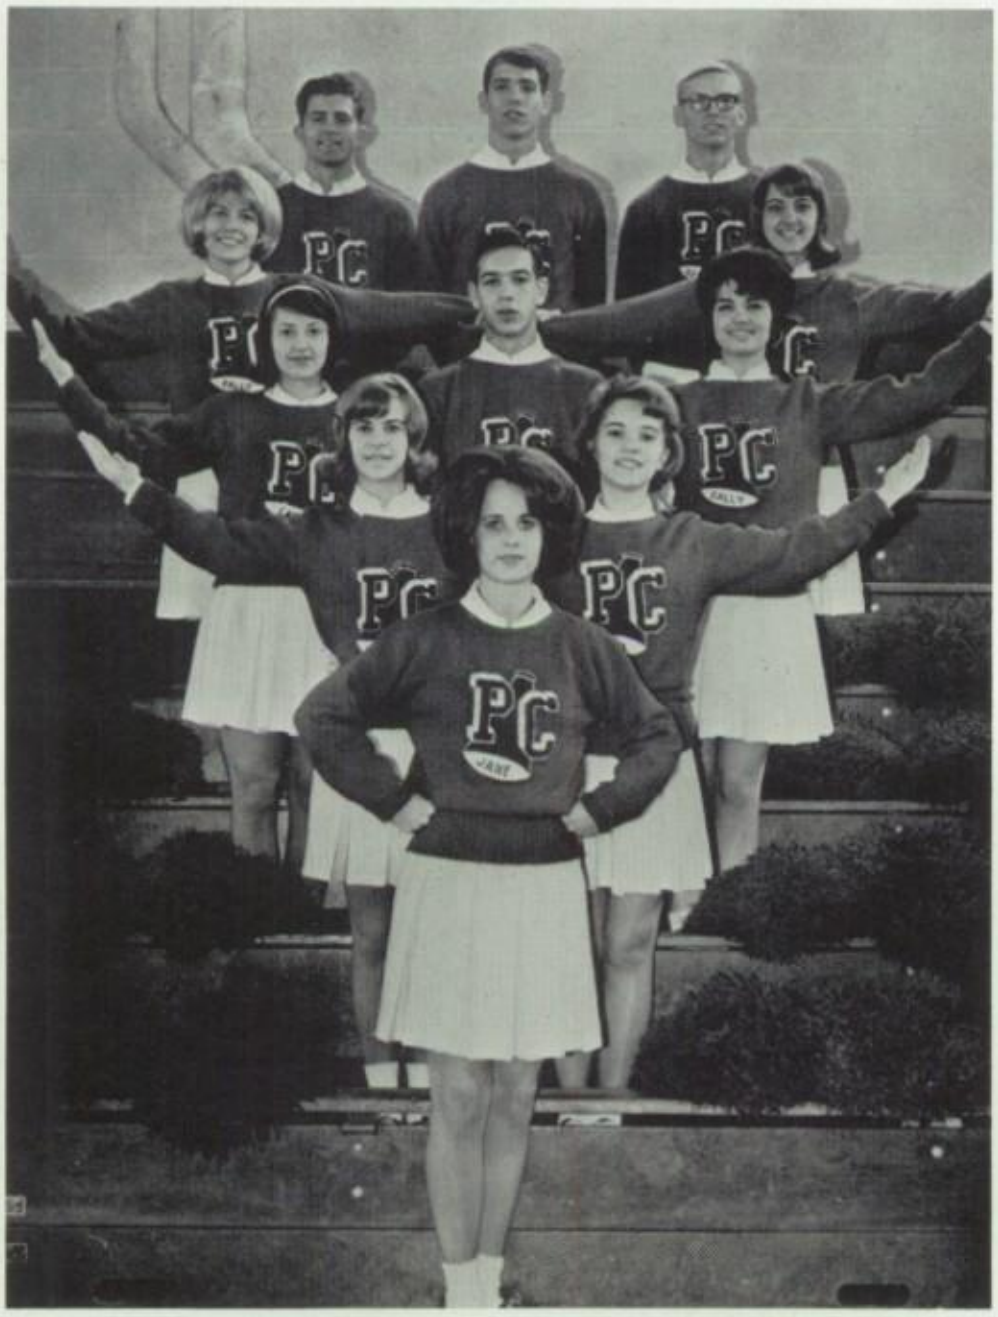
"Who's Got the Go?" is answered in a cheer by this group of eleven during daily practice.

"Senior Battle Cry," as shown here by the cheerleaders practicing in the gym, is one of the favorite cheers among Po-Hi students.

CHEERLEADERS CAPTURE '65 CROWN



CHEERLEADERS: Janie McBride, Louise Paris, Toni Gibson, Lana Gillespie, Jim Nickles, Sally Edwards, Sally Ochs, Marsha Lee, Jerry Evans, James Kanelakos, George Wittmer.

Promoting a high degree of school spirit are the eleven cheerleaders. Elected in the spring prior to the school term in which they serve, the group includes: Jane McBride, head cheerleader; Sally Edwards, Toni Gibson, Sally Ochs, Jerry Evans, James Kanelakos, Jim Nickles, seniors; and Lana Gillespie, Marsha Lee, Louise Paris, George Wittmer, juniors.

Regular practices make for a precisioned team. Enrolled with Mrs. Moore in the gym, they perfect cheers.

Last summer the eleven attended a State Cheerleading Clinic at Norman. Students from seven different states attended this five day session. Our cheerleaders received a sweepstakes award for their originality and presentation.

Leading the annual homecoming parade around the track are the cheerleaders in their jalopy covered with paper carnations.

Displaying the Bombers' victory bell which is at many athletic events are Robert Whitteberry, Ronnie Buck, and Neal Singletary.

A large group of Bombers support the Wildcats and encourage a victory for a Friday night game.

BOMBERS' BELL CLANGS VICTORY

Supporting the football team throughout the 64-65 fall season at both games and pep rallies on the patio was the Bombers pep organization. Sponsored by Mrs. Marie Moore and Mr. Jim Murphy, the group is composed of approximately thirty, senior, junior, and sophomore boys.

This year the Bombers marched on field with the Dynamiters during half-time performances at the home football games.

Bombers had for the first time their own uniforms, consisting of blue ski jackets with a white Bomber emblem.

The large brass bell was the most noted feature of the Bombers. It could be heard at all football games and pep rallies.

CLUB OFFICERS ELECTED BY SKILL

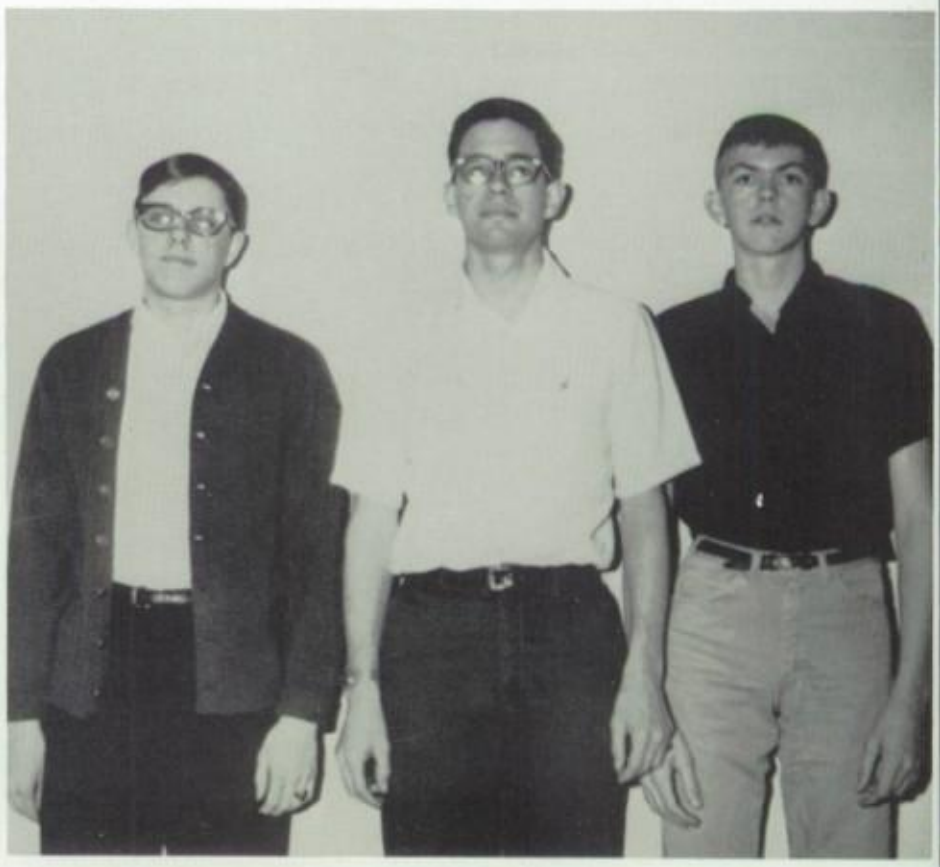
The Po-Hi Chess Club, sponsored by Mr. William Schwenker, meets bi-weekly in the Student Lounge. The officers, Larry Vickers, President; Mike Council, Vice-President, and Tommy Every, Secretary, were chosen through participation in an intra-club tournament. In the double elimination tournament, the defeated players moved down to the losers bracket until only the three winners remained.

The meetings usually center around tournaments of recreational playing between club members.

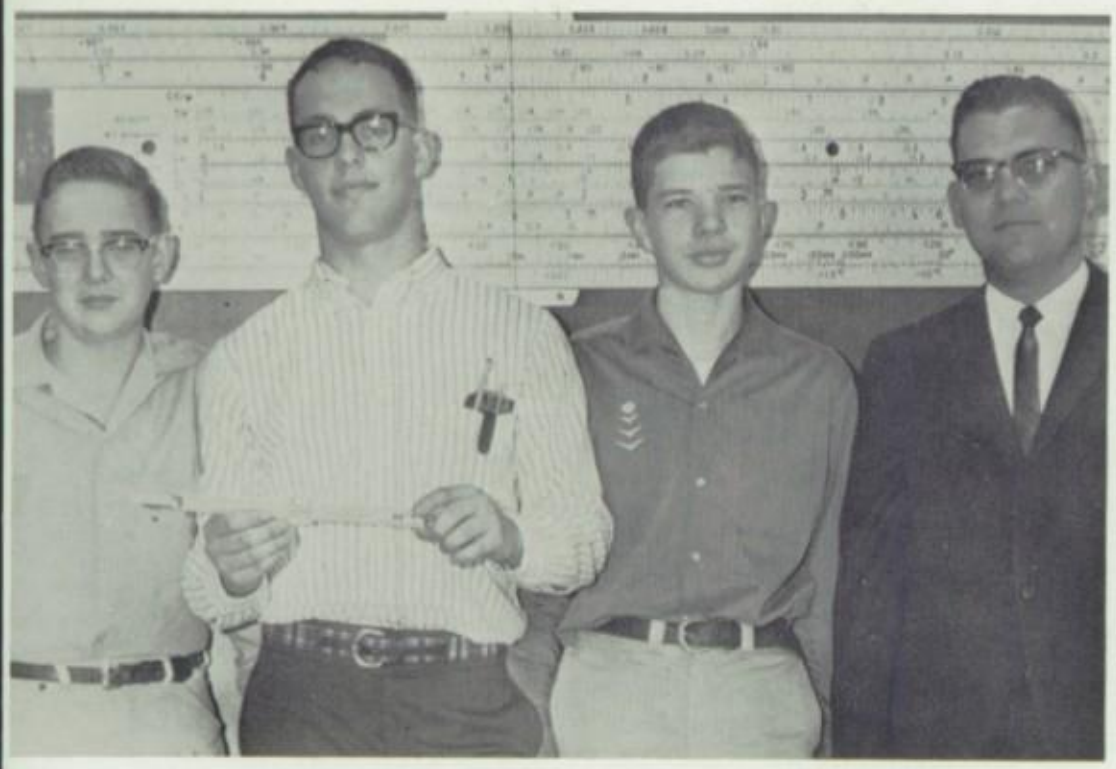
The Po-Hi Chess Club received an invitation from the Continental Employees' Association to participate in a match against some of the Continental Chess Club members.

The members of the Chess Club are carrying on a tradition begun thirteen centuries ago in India. From its pre-eminence among intellectual pastimes, it is often referred to as the "royal game". The ambitious boys who spend their free time "advancing pawns", "surrendering the center", and "checkmating" their opponents are gaining knowledge of one of the most intricate and challenging games of all time.

Mr. Schwenker often accepts challenges from club members. Here Jack Katz struggles with his sponsor.



Club Officers are Larry Vickers, President; Mike Council, Vice-President; and Tommy Every, Secretary.



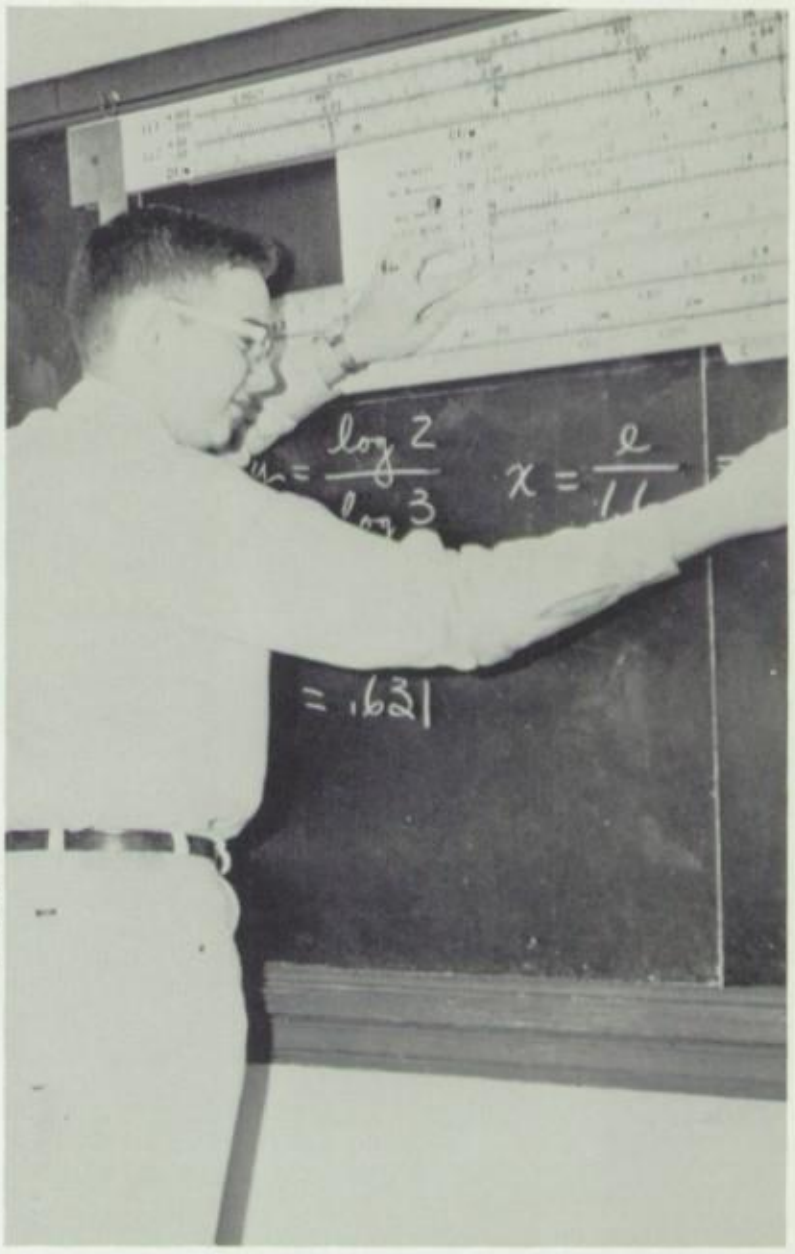
Members: John Haley, Jack Holland, Dan See, Mr. A. Lloyd Gelmers, Sponsor.

CLUB MASTERS S. RULE

The main objective of the Slide Rule Club is to learn how to quickly apply the principles of a slide rule to complex problems involving simple procedures. In the club they work problems concerning multiplication and division and combination of these operations.

The club is a sub-division of the Math Club, taken over by Mr. Gelmers in 1951 when he became the sponsor.

The members look forward to learning about ratios, proportions, squares, cubes, square roots and cube roots.



John Haley works a problem with the class slide rule.

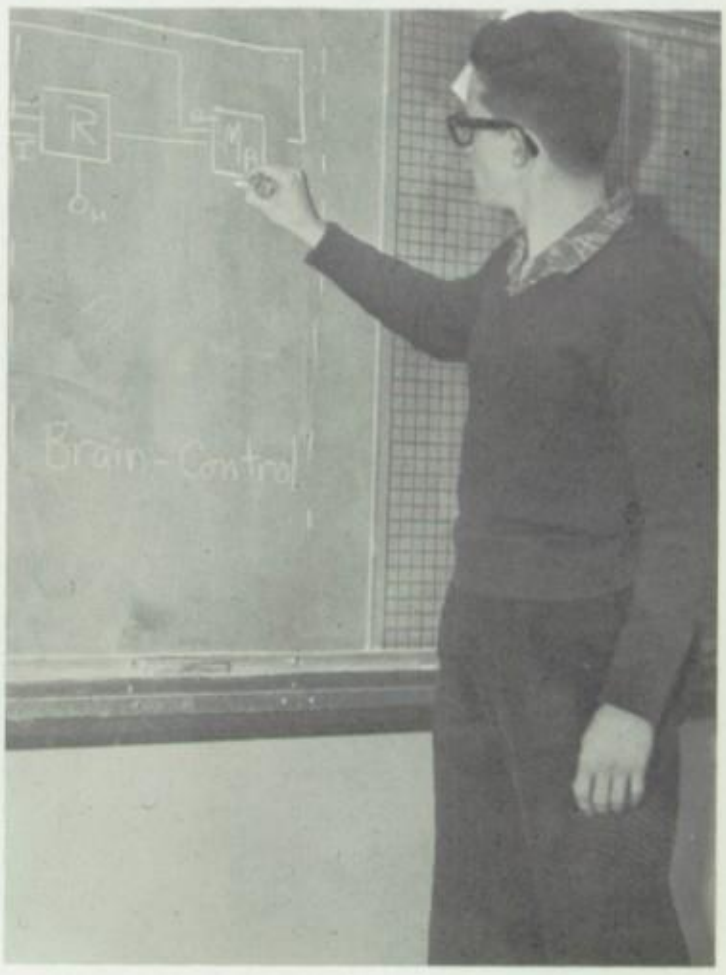
CLUB STUDIES NEW MATH THEORY

Po-Hi's advanced math students are able to find an outlet for their curiosity and inquisitiveness through the Math Club, sponsored by Mr. Gelmers, Math Department Chairman.

Meeting every two weeks, the members get outside instruction in the binary number theory, logistics, and computer circuitry and programming techniques.

Many of the meetings are centered about lectures given by the club members. An adequate amount of time is provided for subsequent discussion in order to allow each member to get the most benefit out of the information.

Members: Mr. Gelmers, sponsor; Will Martin; John Welch; Tommy Thompson; Connie Esmond; Nick Lawrence; John Haley; Doug Wilda; Charles Ashbaugh; and James Sherrod.



Nick Lawrence draws the circuitry of a computer.

Janet Chisholm and Loita Oldham plan an anticipated tour of France.

The purpose of the French Club is to promote an interest in the culture and language of France and French-speaking countries. The Club has presented a play in French, have had programs on the music of France, have studied the geography and the history of France, and have tried to perfect their understanding and use of the French language by using such methods as crosswords puzzles in French, French games, French newspapers, and the literature of outstanding French authors. Mrs. Pat Goodman is the Club's sponsor.

Ann Hutchings, Mary Jean Carter, and Sally Chisholm improve their understanding of French by reading French magazines.

SPANISH CLUB ATTENDS O.U. FIESTA

The Spanish Club under the sponsorship of Mrs. Rowe, has been learning about life in various Spanish-speaking countries of the world. Nancy Fair, gave a program on Mexico, where she visited last summer, they heard a girl from Panama speak about her country, they gave a Spanish play, made pinatas, and have had a progressive dinner with the French Club.

This spring the club traveled to Norman for the Fiesta Panamericana on the O.U. campus. At this annual event, the club members enjoyed Spanish food, Spanish music, and attended a Spanish ball.

FUTURE JOURNALISTS VISIT NEWS

To establish and promote the basic fundamentals in the fields of journalism is the main purpose of the Ponca City chapter of the Future Journalists of America. With twenty-five members the F.J.A. Club tries to remain active toward the fulfillment of this purpose. The members gain valuable experience toward their goal by working with the *Poncan*. They also try to learn as much as possible about all phases of journalism. During the year, they toured the Ponca City *News* office; learned about radio and journalism; and studied the different phases of photography.

The F.J.A. retained its membership with the national chapter of Future Journalists as the club renewed its charter with the national office at Oklahoma University.

The F.J.A. was honored last fall by the election of one of its members, Dave Gillogly, to the post of Vice-President of the state chapter of Future Journalists.

STATE RALLY, HIGHLIGHT OF YEAR

Pat Kolb, Kathleen Harman, and Diane Zemp practice fitting clothes on "Sally"

To learn the fine points of today's Homemaking is probably the main project of PO-HI's chapter of Future Homemakers of America Club. The girls who make up the club's membership are class members of either Home Ec., Foods, or Clothing.

Throughout the year they heard women, outstanding in their field, speak on hair styling, interior decorating, clothing material, and cosmetics. Also they heard a speaker from OSU talk on all fields of home ec. After hearing several of these speakers, the girls put some of their suggestions to use as they made Christmas gifts for their families.

The main event of the year was the annual FHA state rally at Oklahoma City in April. The girls look forward to going and do all they can to earn the money so all may go. This year they sponsored a successful rummage sale in November and also had the concessions for the Stillwater basketball game to raise money for the rally.

For all members to become good citizens of the community is the primary aim of the Future Farmers of America. This organization also provides further understanding of livestock and crop procedures.

Throughout the term under the guidance of Mr. Gene DeWitt, the members carry out a program of work. This includes concentration on ten points, including leadership, earnings, savings, conduct, and public relations.

Many FFA members receive awards for excellence. Traveling throughout the state, they participate in state and county contests and often win ribbons and trophies. As for the Foundation Awards, the boys win these for scholarship, livestock, beef, etc.

Reigning at the FHA Annual Banquet was Sue Griffin. Also at this event special recognition is given to honorary chapter members and FFA Foundation Award winners.

Besides being responsible for the organization and maintenance of the school library, the Library Club sponsors the bookworm breakfast for the faculty. Officers participate by serving.

Marilyn Ealick was elected president of the Northern District of the Oklahoma Student Library Association at the fall convention in Enid November 20. Felicia Daily was also elected secretary of the district organization.

This year the organization was host to the spring convention. The members also attended the state convention of the Students Librarian Association at the University of Oklahoma March 20.

NATURE LOVERS TAKE FIELD TRIP

One of the most interesting clubs in our school is the Science Club. Programs at regular meetings are given by members of the Club who prepare talks on the field of science. Speed of sound and flight were studied by the use of films.

To climax the year, the Club went to Roaring River, Missouri, on a field trip. At every home basketball game and wrestling match, members of the Science Club sold popcorn to earn money for the field trip.

Friday, April 30, after fifth hour, about thirty nature lovers left for Missouri in cars driven by sponsors for the trip, Mr. Leo Rodrigues, Mr. Everett Stumbaugh, Mr. Paul Ingersol, Miss Mary Scott, and Mrs. Helen Kodesh. According to tradition, when they arrived at 10:00 P.M., they set up tents in a drizzling rain. They returned to Ponca City Sunday night, May 2, full of newly discovered facts of nature.

PARAMEDIC ASSISTS AT HOSPITAL

Last year's Future Nurses of America now has a few new faces. The FNA was changed to the Paramedic Club so that future doctors may be included in the group. A special distinction of this Club is that it is the only one in our school which holds its regular meetings in the Student Lounge.

The Ponca City Hospital is the scene of many activities of the Paramedic Club. Members of the Club participated in the Careers Day activities at the hospital. Candy Stripers and Nurses' Aides come from the ranks of the Paramedic Club. Mr. Jackson, head laboratory technician at the hospital, has given a very informative program to the Club.

Among the dreams for the future in the minds of members of the Club is a plan to visit one of the big hospitals in a nearby, or perhaps a far-away, city.

GIRLS LEARN BUSINESS ETIQUETTE

Mrs. Cassity dictates to Linda Nunn, JoAnn Pond, Linda Speakman, and Sue Griffin who are preparing for their 140 words-per-minute test.

Each year many senior girls further prepare for their careers in the world of business by belonging to the Penguin Club. The Penguin Club is comprised of the senior girls in the Shorthand II class which is under the direction of Mrs. Mary Louise Cassity. The chief purpose of the Penguin Club is to train its members in correct business etiquette. Appropriate business dress and the correct use of make-up are two topics which are discussed by the girls. They are taught how to make an application for a job and the correct preparation and procedure for an interview. The correct use of the telephone for business purposes is also demonstrated and discussed.

The annual project of the Penguin Club is their sale of Po-Hi "Wildcat" pencils. The proceeds from this sale go to assist a needy senior girl with her graduation expenses such as announcements and cap and gown rental.

GRA STRESSES PHYSICAL FITNESS

Adding a sound body to a sound mind plus having lots of fun is the purpose of the Girls Recreation Association. In order to become a member a girl must earn 50 G.R.A. points. The girls earn points by participating in volleyball and basketball tournaments, being team captains, and serving as referees. This year the G.R.A. girls served as referees for the all-school girls volley quoits tournament.

For outside activities the girls held a swimming party at Continental Pool. Also during the spring they had an all-night camp-out. Burned hot dogs and gooey marshmallows were relished by all. Working toward their goal of physical fitness the G.R.A. girls and their sponsor, Mrs. Moore, hiked to Lake Ponca Park.

All Po-Hi enjoyed the two Po-Hi Play Nights which were sponsored by the G.R.A. One was held during leap week. Records, dancing, volleyball, basketball, cokes, candy, and popcorn provided the entertainment.

OO-KEE-HEE CLUB SPONSORS GRANTS

As Ponca City High School has a large number of Indian students, the Oo-kee-hee club was established five years ago. The members and sponsors, Mr. Delbert Carlile, Mrs. Ruth Beaubien, and Mrs. Mary Moore of the *Ponca City News*, have the purpose of seeking to provide Po-Hi's Indian youth with voice, recognition, and determination which will make them able to accomplish the raising of their educational, economic, and social standards to levels which will make it possible for them to use their talents and abilities for betterment of their people and to enjoy opportunities as students and citizens of the community, state, and nation.

The Oo-kee-hee club, which is translated as "able to accomplish", endeavors to encourage Indian youth to seek higher education in order to illuminate modern problems in Indian affairs.

In order to make money to aid and assist in scholarship grants for members, the club sponsors a concession stand and holds intraclub Indian handball games.

The annual climax of the club's activities is attending the Itţanaha Council of Oklahoma, sponsored by the Sequoya Club at O.U. There they are entertained at a pow-wow and various cultural activities.

AFS SPONSORS ANNUAL BUS STOP

Included among Ponca City High School's extra-curricular clubs is the young people's auxiliary of the American Field Service Club. Dedicated to fostering good international relations and understanding among the various inhabitants of the world, the Club's purpose is to keep interest in the program high among the young people of Po-Hi.

Although the adult branch of the Club raises the major portion of the money to bring foreign exchange students from their homelands to Ponca City and to send our representatives abroad, the Po-Hi Club plays a most important role in the annual AFS Bus Stop, which provides entertainment for the many AFS'ers traveling from the West to the East coast to begin their journeys back to their native lands. Last summer forty students from Egypt, Sweden, Iran, China, Germany, and many other far away countries were kept in the homes of local Club members. Ponca City's reaction to the project was so enthusiastic that over eighty young people are expected to stop here this summer.

Five American Field Service scholars have been given an opportunity to live the life of a Po-Hi student by the local Club, including our present AFS'er, John Moschos, whose home is in Rhodes, Greece. The Ponca City branch of the national AFS is responsible for the foreign representative's placement in a responsible family's home and funds for passage to and from the United States. In the summer of 1964 we sent our first international Po-Hi representative, Mike Woods, to Bankok, Thailand for the three month summer program.

Differing from the majority of our school's clubs in that it meets but once monthly at night, the club has an enrollment of over fifty members who are interested in international relations. The monthly programs are generally of a world travel nature, consisting of slides and lectures of foreign countries by travelers who have visited them. The Club Officers are Sally Chisholm, President; Jane Kleier, Vice President; and Connie Esmonds, Secretary. Mrs. Alma Lee Oates, Latin and world literature instructor, is sponsor of the group.

The Youth Traffic Court was founded in 1954 to try youth traffic violators in Ponca City. Two years ago it was discovered that there was a lack of legal authority for establishment of the court, so the Municipal Judge was asked to preside on the court. Ponca City's Municipal Judge is Mr. Kenneth Holmes.

A student who comes before the Court has an attorney who explains his rights to him. Then he enters a plea, either guilty or not guilty. If he pleads guilty, he is reprimanded and sentenced to a number of weeks in youth traffic school. If he pleads not guilty, he is tried. Then the Youth Judges, with the guidance of Mr. Holmes, decide his guilt or innocence.

Officer Harold Goodman sponsors the court and has brought it state-wide recognition.

The Youth Traffic Court officers are elected each April for the following year through the Student Council. All applicants submit a letter of application and then are screened by the Ponca City Police Department and the high school officials.

Court alternates: Al Thomas, Judge; Jim Sharrock, Defense Attorney; Luana Locke, Court Clerk, Mark Breidenbach, Prosecuting Attorney. Not pictured: Kathy Stevenson, Bailiff.

LETTERMEN STRENGTHEN ATHLETICS

The Lettermen's Club was organized this year for the sole purpose of bettering athletes and athletics at Ponca City High School. It was felt that by improving the quality and character of our athletes, the entire athletic program of the school would be improved.

The club organized a discipline committee. This is a judicial committee which recommended disciplinary action whenever action was necessary.

The Club has been mainly interested in promoting school spirit and a keen sense of competition among the athletes.

The sponsors of the club are Mr. Jomac Wasson and Mr. Ted Pierce.

The Lettermen's Club was in charge of the election of the All-Sports Queen, her attendants and their escorts. Sally Edwards was elected queen by the lettermen. Jeannie Rose and Dianne Brown were elected attendants. John Hampton was elected king with Chuck Brown and Jim Gilbert as escorts.

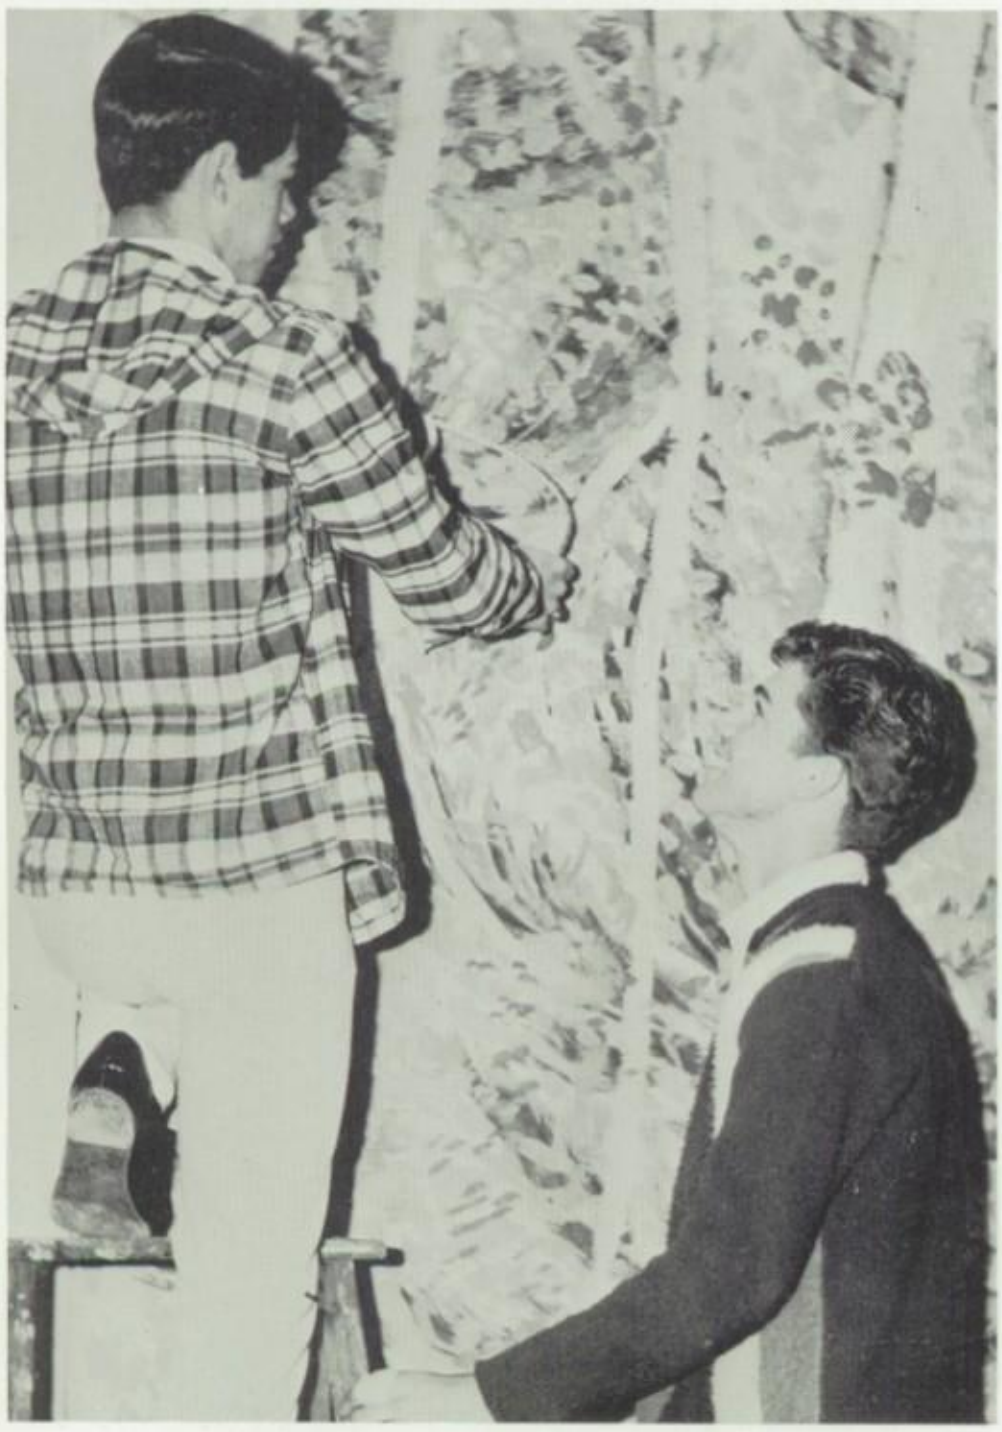
STAGE CREW HAS CLASS ON STAGE



Putting finishing touches on scenery for the Operetta are stage hands Jeff Williams and Lockie Cathy.

Some of Po-Hi's most dedicated students are the boys which make up the Stage Crew. Led by their sponsor, Mr. Jim Murphy, these boys care for the physical arrangements that are necessary for the Junior and Senior Plays, musical presentations such as the Operetta and the Pon-Dram-Panic, our many and varied assemblies, and the school dances. There are times when the boys must spend many before and after school hours in order to help put on these events. Masters at improvising with hammers, nails, boards, and paint, this group does an excellent job in making possible the productions and programs that are favorites of the student body and faculty. Thanks a lot, fellows, for your excellent work.

Did someone tell a joke, or do Dickie Carter and Stan Roebuck just enjoy their work?

FLICKS FLASHED BY REELROLLERS

With a sincere desire to provide Po-Hi with efficient film projection, eighteen boys give up a study hall and serve as Reel Rollers. This busy group has shown over 1300 reels of film this school year. The films are shown in the C- Building Theater, two theaters in the Howell Building, one on the first floor and one on the third floor, the auditorium and individual classrooms. Caring for the equipment valued at five thousand dollars is another responsibility of the group. New equipment this year includes a much needed new film strip projector. These boys are deserving of thanks for the excellent service they perform.

AUDIENCE PARTICIPATES IN DRAMA

Pandemonium prevails in the court room following Karen Andre's (Sherry Madderra) testimony.

The class of '65 presented "Night of January 16th" as their senior play, under the direction of Mr. Murphy. The setting was the Superior Court of New York City. Bjorn Faulkner, the world's most influential business man, had been murdered. Karen Andre (Sherry Maddera), who had been Faulkner's secretary before his marriage to Nancy Lee Faulkner (Toni Gibson), daughter of John Graham Whitfield (James Kirk), was on trial for murder. The defense was directed by Defense Attorney Stevens (Don Cogman). District Attorney Flint (Nick Lawrence) presented the state's case. The jury for the trial was selected from the audience by the clerk (Jim Nickles). Witnesses for the defense were Larry Regan (Max Waller) and Sigurd Jungquist (Gene Maudlin). Witnesses for the prosecution were Homer VanFleet (James Kanelakos) and Dr. Kirkland (David Freele). The jury after hearing the evidence returned a verdict of not guilty.

Roberta VanRensselar (Kathy Stephenson) enters the court room as a star witness for the prosecution.

Judge Heath (Dan Boone), court stenographer (Carolyn Turner), and Mr. Stevens' secretary (Jeanette Parker) look on while the court clerk (Jim Nickles) swears in Mrs. Hutchins (Madeline Gaden). District Attorney Stevens (Nick Lawrence) is waiting to question the witness.

JUNIORS PRESENT TRADITIONAL HIT

"Arsenic and Old Lace" was presented by the Class of '66 as their Junior Play and was directed by Mr. Murphy. In the play Abby and Martha Brewster (Luana Locke, Linda Pavlik) feel that they are doing humanity a service by putting lonely people out of their misery. They do this by giving them some elderberry wine which contains arsenic. The spinsters have three nephews: Mortimer (Ken Perry) a prominent play critic, Teddy (Lee Ellenwood) who thinks he's Teddy Roosevelt, and Jonathan (Larry Butcher) a gangster who tries to match his Aunt's record of twelve deaths. When Mortimer discovers his Aunt's activities, he believes his whole family is insane and refuses to marry Elaine Harper (Myra Dritch). All matters are resolved when Jonathan is captured by Capt. Rooney (Jim Sharrock) and Sgt. O'Hara (Don Wiechmann), and Abby, Martha, and Teddy commit themselves to Happy Dale Sanitarium.

Teddy (Lee Ellenwood) interrupts an intimate scene between Elaine (Myra Dritch) and Mortimer (Kenny Perry) on his way to the cellar which he thinks is Panama.

Jonathan (Larry Butcher) and Dr. Einstein (Jim Christy), his accomplice, help themselves to some poisoned wine.

Yorick Troupe Members: Luana Locke, Jeanette Parker, Cynthia Vollman, Linda Skinner, Mr. Jim Murphy, sponsor, Penny Johnson, Gayle Greenshields, Marilyn Talley, Linda Pavlik, Margie Hein, Creig Myers, Nick Lawrence, Curtis DeWitt, Tex Rowe, Sharon Brinkley, Madeline Gaden.

Yorick Troupe Officers: Madeline Gaden, Vice-Pres.; Margie Hein, Pres.; Penny Johnson, Sec.; Mr. Jim Murphy, sponsor; Linda Skinner, Treas.; Marilyn Talley, Historian.

Po-Hi's honorary dramatic society, the Yorick Troupe is joined by students active in school dramatic productions.

Membership is based on a point system. Pledges must earn seventy-five points to be eligible. To continue membership, students earn twenty-five points a semester.

These points are acquired by student participation in class-sponsored plays, all school productions, classroom skits, assemblies, committee chairman reports, speeches, and oral book reviews. Points are also given to a student if he participates in drama or speech productions in community affairs.

Members presented the Christmas Assembly in the Hutchins Memorial last winter. "A Universal Christmas" theme combined a portrayal of Christmas customs from such countries as Russia, Mexico, France and England.

The Yorick Troupe also aids with make-up application for the stage.

Yorick, a white skull, serves the troupe as mascot. A direct relic of ancient drama, this skull represents the head of Yorick, the Danish court jester, which is found in the Shakespearean play, *Hamlet*.

Talking with Linda Pavlik and Luana Locke, Jim Beaubien leaves the Brewster home, the setting for the Junior Play, *Arsenic and Old Lace*.

Participating in the finale of the all school production, *The Music Man,* were the Mixed Chorus as the River City towns people and kids, twenty-five members of the Big Blue Band, and the entire cast of individual characters.

76 TROMBONES HIGHLIGHT MUSICAL

Called one of the best musicals of our time, *The Music Man* was presented as the 1965 operetta. Alternating yearly with the Pon-Dram-Panic, this all school production had over 200 students participating. Directed by Mrs. Leslie Rardin, the operetta evolved around Harold Hill, a traveling salesman, who radically changed the community of River City, Iowa, by organizing a Boys' Band and Marion Paroo, the city librarian, who fell in love with Professor Hill, altering his deceptive career.

COUNCIL INITIATES NEW PROJECTS

To mark the successful years of our principal at Po-Hi, the name of the C- Building was changed to The Homer S. Anderson Building at his retirement. The letters proclaiming the new name are on the south end of the building. A plaque and a portrait of him were hung in the foyer.

Some community projects, the March of Dimes and the cerebral palsy drive, are supported by the Council. Each year it sponsors the canned foods drive at Christmas. The worship services every other Wednesday before school were initiated by the Student Council.

Finances were provided by dances and concessions sponsored by the Council on nights of games. The first dance at which there was a band and the Battle of the Bands were examples of new ideas the Council brought to the traditional dances.

PO-HI ORCHESTRA PICKED AS ONE

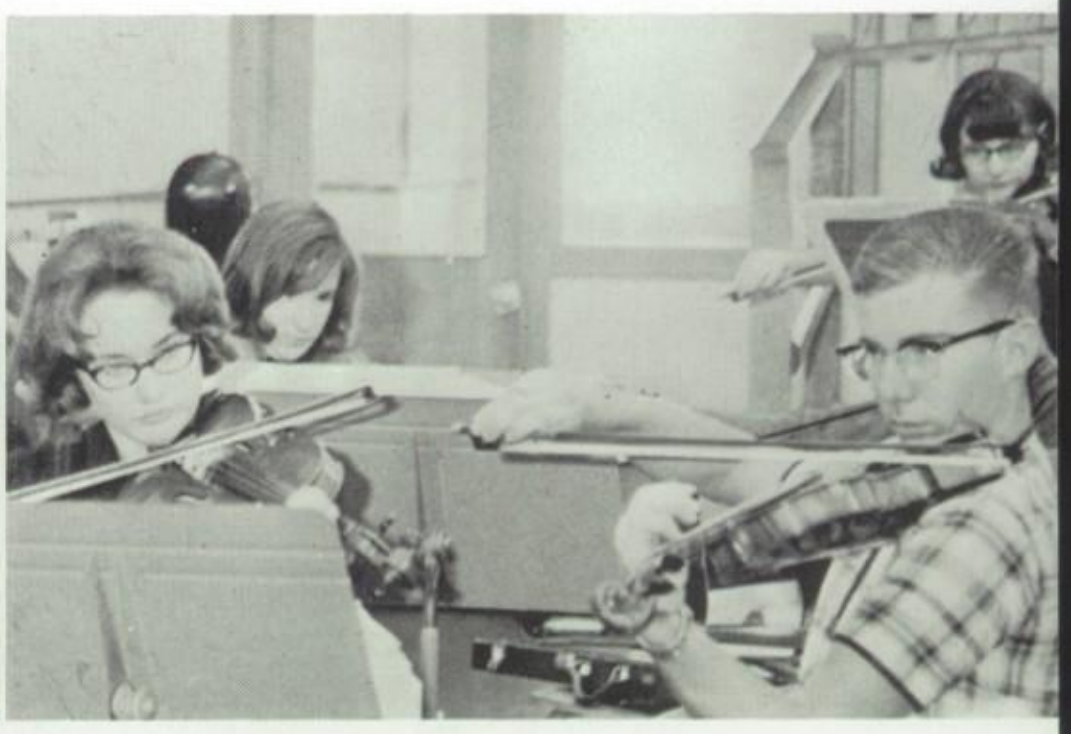
The Ponca City High School Orchestra for 1965 has truly been an outstanding one in many respects. It was chosen as one of the four best high school orchestras in the nation and next year will attend the Midwest Music Clinic in Chicago.

The orchestra has made several trips this year. They made a trip to Norman to play at Oklahoma University and they made a trip to Stillwater to play at Oklahoma State University with the orchestra from Enid and Cushing.

The Po-Hi Orchestra has given our school and Ponca City a great deal of pleasure by presenting two assemblies to the student body and by giving a concerto concert in which selected members of the orchestra played concertos. Featured in the concert were Steve Baker, David Freele, Doug Martin, Paul Childs, Ann Hutchings, Howard Herring, Elizabeth Veal, Sally Chisholm, and Janet Chisholm.

The orchestra is under the direction of Mr. A. H. (Pete) Long.

Director A. H. (Pete) Long leads the orchestra in one of its many rehearsals.



Violinists Janet Chisholm, Don Willis, Jody Pappan, and Millicent Perry seem intent upon their music at rehearsal.

MADRIGAL SINGERS USE ELIZABETHAN SONGS, COSTUMES

One of the most interesting groups in Po-Hi is the Madrigal Singers under the direction of Mrs. Leslie Rardin.

The Madrigal Singers is a group of singers whose songs and costumes come from the Elizabethan Age in England. The elaborate and ornate costumes of the singers include a costume of Henry VIII, court jesters, and Elizabethan aristocrats. Many of the songs they sing are in the English of the sixteenth century and many others are familiar to us.

The Madrigal Singers: Paul Nicolayson, Linda Wimmer, Loita Oldham, Kay Grant, Anne Hutchings and Phil Maxson.

Mixed Chorus Members: Beman, Bible, Briscoe, Christy, Clark, Coats, Cobb, Cogman, Combest, Daniels, Farnam, Fincher, Ferguson, Gaden, Gilbert, Hastings, Holinsworth, Hutchings, Jacobs, Johnson, Justice, Knapp, Knight, Lee, Lee, Locke, Martin, Maxson, Maxson, McCloud, Nicolaysen, Oates, Oldham, Page, Pepia, Pitts, Randel, Samuel, Schafer, Sharrock, Sherwin, Snider, Stoops, Tucker, Wiles, Wimmer.

CHORISTERS AMUSE STUDENT BODY

MRS. LESLIE RARDIN

For those in Po-Hi who are blessed with musical talent, various singing groups are available to join, in which they may demonstrate their talents. In the many assemblies and special programs, the choruses are featured and the students' individual talents spotlighted. Through numerous hours of long, strenuous practice the vocal groups are able to present quality entertainment. Their programs are so acclaimed by everyone who hears them, that Mrs. Rardin receives divers offers by civic clubs for their appearances. Their accomplishments in competition throughout the state have made Po-Hi very proud.

SPORTS

A well-rounded curriculum for any school includes a number of fine varsity and intramural sports. Po-Hi ranks high in the athletic circles of Oklahoma.

Over the years many traditions have been established in our sports program. For example the annual Blackwell-Ponca City game and all it entails resulted in our reclaiming the Dowell-Meeks travelling trophy along with the shoes of the opposing captains.

This year the Po-Hi athletes, we hope, established a tradition that no other group of previous sportsters has. The first All-Sports Trophy of the Oklahoma Seven Conference for well-rounded athletic excellence was received by Ponca City.

Winning this trophy required the effort of every team Po-Hi sponsored. The high standings in the conference of each of the nine squads contributed to the

medals were awarded our high school athletes.

tournament. The Wildcat football team, after being the only team to defeat the state champions, their season opener, placed a tough second. The basketballers wound up their season in second place.

In contention for the state championship, the wrestlers fought to the third place spot in the conference. Scoring our first conference championship was the cross-country team in the fall. In the spring Po-Hi won two more firsts in track and tennis, picked up second in golf, but fell to sixth in swimming and baseball.

Among the numerous wins and multiplicity of trophies, stands out one of the greatest sports honors a school, as a whole, can achieve: the Oklahoma Seven Conference Sportsmanship Trophy, a tremendous tribute to the fair play and cooperation of Po-Hi players and fans.

FELINES' HIGH HOPES SMASHED BY

The 1964 Wildcat football season proved to be an exciting one for both the fans and players.

The Wildcats started out like a steam roller in smashing their first four opponents, highlighted by the stunning defeat of Enid in the opener. The team placed Ponca City on the State football map for the first time in several years.

Sports writers in the pre-season polls thought the Wildcats to be only a mediocre team, but the opening four games changed everyone's mind, and the Wildcats were rated among the top five teams in the State during this period. Then came the Tulsa Hale game where the Cat's dreams of a conference championship were shattered.

After the Hale game, the Wildcats never seemed to regain the enthusiasm and desire displayed at the start of the schedule, as they found only one victory in the remaining five games.

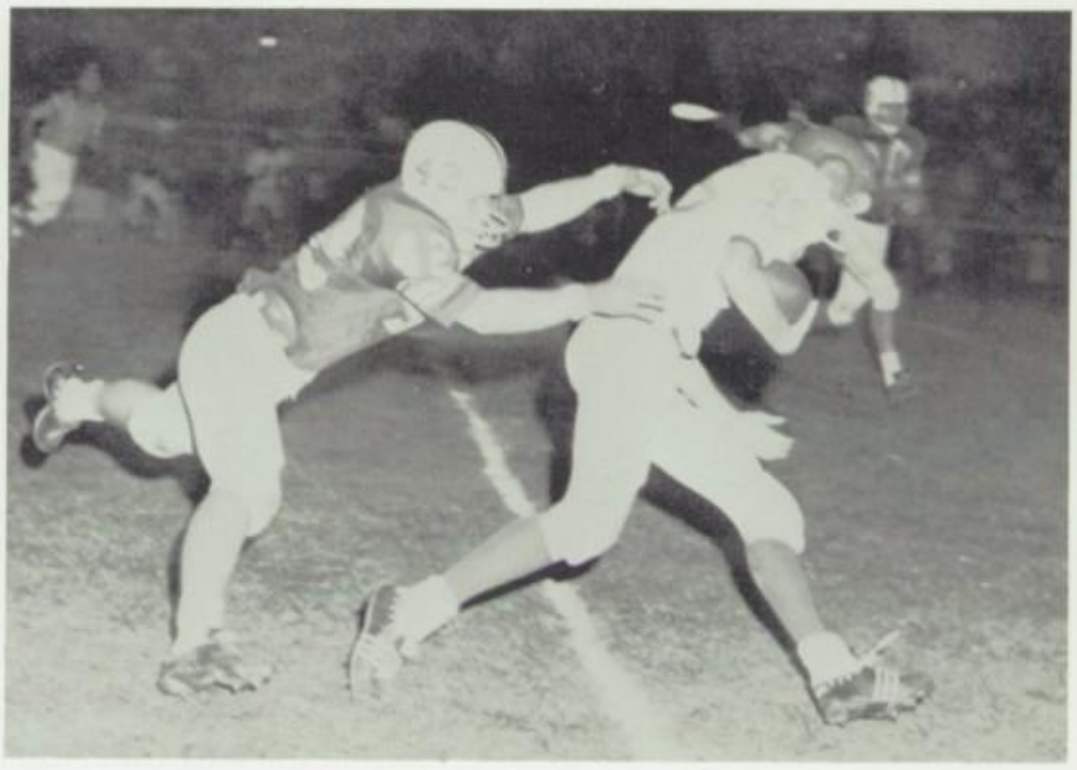
Although the Wildcats finished fourth in the Oklahoma Seven Conference and unranked in state standings, they did display good football which was appreciated by the fans, whether the team was winning or losing.

Three Wildcats were placed on the All-Conference team in John Hampton, defensive end, Steve Finley, quarterback, and David Ladner, fullback, who also received All-State honors. These players, along with the whole Wildcat squad, were honored at the annual Quarterback Club banquet held in January.

Fumble! All eyes are focused on the football in one of the many miscues during the Tulsa Rogers mud bath. Number one ranked Rogers defeated the Wildcats 15 to 0.

CONFERENCE LOSS TO TULSA HALE

Steve Finley stretches for extra yardage against Stillwater. The Cats downed the Pioneers 21 to 13.



Junior end, Mike Thompson, races for the goal line after catching a pass in the Stillwater game.

September 11—Enid—14 to 7

In the opener of the season, the fired-up Wildcats came from behind to defeat the Enid Plainsmen 14 to 7. The team had been in long preparation for the game, and found it paid off in the fine victory over the state champions to be, and found themselves ranked third in AAA football the next week.

September 19—Tulsa Edison—27 to 12

The Wildcats capitalized on several Edison mistakes as they won their conference opener in a closer-than-the-score-showed game. The Cats were lacking in polished technique, but made up for this in desire and enthusiasm.

September 25—Stillwater—21 to 13

In the state high school "Game of the Week", the first ranked team in AA challenged the Wildcats who were ranked fourth in AAA. It proved to be one of the truly exciting games of the year as the Cats showed great power in all facets of the game. This game boosted Ponca's status, football wise, with fans over the state.

October 2—Bartlesville—6 to 2

The Wildcats remained undefeated and kept their good ranking in the state as they squeaked by the Bartlesville Wildcats 6 to 2. The Ponca defense dominated the game as they held Bartlesville to 2 yards rushing in the first half, and scored the Wildcats touchdown on a punt runback.

October 9—Tulsa Hale—7 to 14

After winning four in a row, the Wildcats received their first defeat at the hands of the Tulsa Hale Rangers by the score of 7 to 14. The Ponca offense could never find the key play after the defense handed them the ball deep in Hale territory numerous times.

October 23—McAlester—0 to 16

As the Wildcats traveled into the southern part of the State, they found a quick, tough McAlester team. The Cats were defeated in all aspects of play as they hit their low ebb of the season.

October 30—Muskogee—6 to 6

In a closely fought defensive battle, the Wildcats played even with the Roughers. This being the Homecoming Game, Wildcat gridders of the past were honored at the game.

November 6—Tulsa Rogers—0 to 15

Going against the number one ranked team in the state, the Wildcats played an excellent game. As the playing field was rain soaked and muddy, both teams were hampered by slippery footing and numerous fumbles.

November 13—Blackwell—6 to 0

In the traditional rivalry game of the year, the Blackwell Maroons disregarded the pre-game choices for favorites, as they came very close to defeating the Cats.

November 20—Tulsa Central—12 to 14

In the final game of the season, the Wildcats showed an offensive scoring punch for the first time in several weeks, but it didn't prove enough as the Cats were defeated by the Central Braves 12 to 14.

Cross country is a sport which demands hard work, good conditioning, and tremendous endurance. The race consists of a two mile run over rough ground: up and down hills and over sod and sand. Seven men run in each meet, only the first five of which score. The place at which the first five men finish is added to the others to make a total. The lowest team score wins. The final two men are called pushers, who try to get ahead of the counters of another team in order to raise their score.

To be in condition for such a strenuous race, the cross country team goes through a rigorous workout every afternoon beginning one week before school begins in the fall. The practice begins with a two mile warm-up jog followed by calisthenics to develop all-around strength. The main practice follows these preliminaries, and consists of pace work and conditioning.

Coach Stangeland had seventeen boys out for the sport this year. Eight men lettered.

Because this was only Po-Hi's second year to have cross country team, we were not even considered a contender for the conference title. At the conference meet our first three men finished second, third, and fourth. The Class AA State Meet was held at Stillwater, where in the face of a 20 mph wind and ten degree weather, Po-Hi won the state championship.

WRESTLERS WIN SECOND IN STATE

After a slow start, a rather inexperienced Wildcat wrestling squad fought hard as they gained the experience to carry them to a well-deserved second in the state Class AA tournament. Because of their shaky start, the Wildcats finished third in the Oklahoma Seven Conference. They were tagged for two defeats in their first two conference matches, and even though they fought uphill to win all the rest of their matches, Edison and Central were able to hold the Cats to their third place finish. They then went on to the regionals where they garnered another third.

The year was filled with many thrilling, unforeseen happenings. One of the first of these happenings was the Wildcat victory over Edison, the eventual conference and state champion; the last of these happenings was the outstanding job our small contingent of wrestlers did to gain the state's second place berth.

Coach Ted Pierce and Coach Jerry Runyan gave the boys great aid as they strived toward their goal.

Lonnie Roland was the only Wildcat state champion as Ted Eberley, Don Carder, and Gary Butler were runners-up. Larry Pittman placed third in the state.

With four returning lettermen, combined with a strong bench of reserves, the Wildcats produced one of the more outstanding teams of recent years.

Led by all-conference guard, Jim Gilbert, and center Bob Chance, the Cats compiled a 17-7 overall won-loss record.

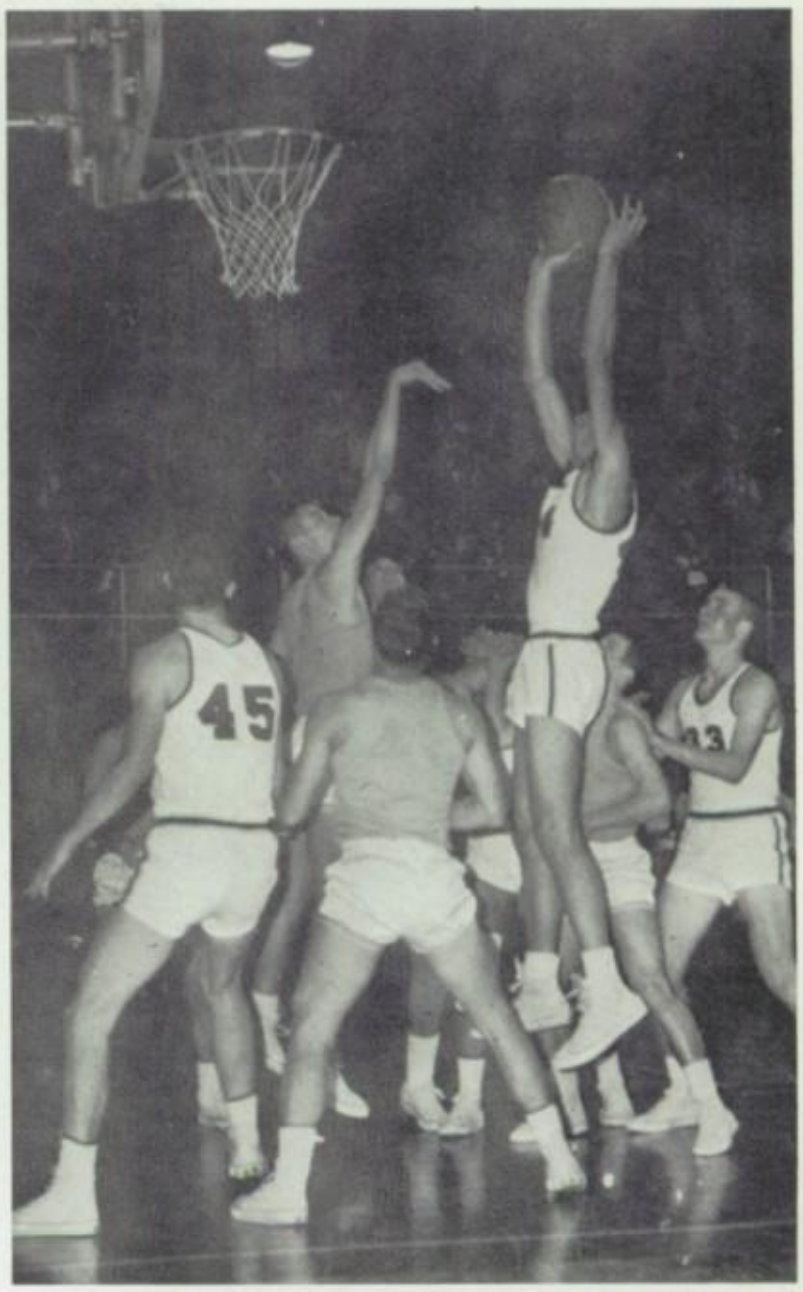
The Wildcats were bested only by top-ranked Tulsa Central in conference play, as the Cats finished in second place in the tough Oklahoma Seven loop. The Central Braves barely nipped the Cats in the decisive game, which was later protested due to a referee's misunderstanding.

All conference guard Jim Gilbert goes up for another two points as Steve Finley looks on

Another game begins as all eyes are focused on the ball at tip off time.

The Wildcats also fared well in tournament action by gaining the consolation championship in the Interstate 35 Tournament held in Guthrie. At the state regional tournament held in Stillwater, the Wildcat Cagers reached the finals where they were defeated by a high-scoring Enid Plainsman team.

Throughout the season, the entire Wildcat squad displayed a great amount of spirit, enthusiasm, and desire to win.



Tall Bob Chance leaps high above the others and adds two points to the Wildcat scoreboard.

SWIMMERS ENGULF STATE FOES

The Wildcat swimmers, coached by Dale Buck and George Harmon, started workouts early in September. With only three seniors, everyone expected a rough year on the swimming circuit. Outclassed in all but one conference contest, the team managed a sixth place conference finish. Outside the conference, the competition picture was different, with the team winning two non-conference meets while losing one.

SEVEN WILDCATS PLACE AT STATE

This year was the largest and best year in Po-Hi track history. The Cats participated in one indoor meet and eleven regular season outdoor meets. They never finished below fourth in any of these and ran against the best track teams in the state at every meet. They also competed in two Kansas meets.

Chuck Brown was awarded the outstanding trackster trophy at the Okla. State Relays, the Glen Cunningham trophy at Winfield, and the trophy for outstanding minor sport athlete. He is also one of the co-captains. James Johnson is the other co-captain.

Four boys on the team received scholarships to colleges and universities throughout the Middle West, due to their performances.

The 1965 Wildcat Tennis Squad coached by Mr. Wallace V. Smith posted an excellent record. Besides this fine record the team won the conference championship and the state championship.

The top six netsters were John Hampton and Dickie Smith as the number one and two singles men. Jim Hill, Rod Bucker, and Charles Meek, Terry Snow were the number one and two doubles teams. The squad is determined by a ladder. Each day challenges are played off between odd and even men.

Po-Hi's powerful team has been undefeated for three years in dual matches in Oklahoma.

Wildcat baseballers concluded their first and last season under Coach Ronald Biggs with a record of sixteen wins and ten losses. Their twenty-six game schedule was the longest in Po-Hi history and included several double-headers.

The 1964-65 season was climaxed with a trip to Kansas City to see the A's play the Minnesota Twins May 15.

Coach Biggs summarized that the well-conditioned team started off well, but fell into a mid-season slump.

GOLFERS TEE-OFF IN 4 TOURNEYS

Posting an 8-2 record for the spring season, the Wildcat golf team, coached by Mr. Al Cassingham, consisted of nine high school golfers.

Po-Hi linksters attended many multi-school tournaments. The team placed second in the Oklahoma Seven Conference. At both the Wellington, Kansas, Invitational and the Ark City Invitational, they scored first in the four-man division, second in the six-man, and second in the two-man. In state competition at Oklahoma University, the golfers were rated tenth in the state.

This season, for the first time, all four golfers, participating in a dual meet, scored under 80.

Six boys on the '65 golf team returned to the course to play for their second or third season.

HONORS

We sometimes think that many of the honors bestowed upon our students are trivial and meaningless, but reflecting upon them more deeply, we are reminded that an award itself is not an honor, but the hours of toil and privation are the commendable things. Each person, as he rises to take his place upon the stage on Awards Night, is filled with a great deal of pride of accomplishment. He feels, as he steps up onto the platform and surveys his friends, classmates and parents, an inspiration to achieve more; this one moment has made it all worthwhile. And for this reason, the recognition of a goal well attained, do we present such a number of awards on Awards Night.

To be named to an office or as an outstanding student at Po-Hi is doubly an honor due to the intense competition which is found here. At our high school

one must compete for places in such nationally known music groups as the Mixed Chorus, the Big Blue Band, and the Orchestra. Scholastically one must compete with scholarship winners of which we have many each year. More than any other school in the state, Ponca City has received, three times, a plaque from Oklahoma University for having the most outstanding group of freshmen to enter there. Athletically, one must compete with the members of the best teams in the conference.

Perhaps the tradition of excellence has been instilled by that of our teachers. Many state and national offices and responsibilities fall on the shoulders of our very capable instructors.

The honors won are indeed to be envied.

NONNAMAKER AWARD

Miss Sigrid Spencer
Mr. Buddy Robertson

Sigrid Spencer and Buddy Robertson were elected by the class of '66 to receive the Nonnamaker Award given to the outstanding junior boy and girl.

Sigrid Spencer served as committee chairman of the Student Council and was a candidate for Student Council Secretary. She was elected Chaplain of Tri-Hi-Y and was a nominee for Girls' State. She is a member of F.J.A. and is advertising co-editor of next year's PONCAN. Her other activities include A.F.S., Dynamiters, and Advanced Girls' Glee Club.

Buddy Robertson was elected President of the Student Council for the year 1965-66. He is a delegate to Boys' State. As a sophomore, Buddy was President of his homeroom, Vice-President of the Sophomore Class, and received the Sallee Award. He has served as President and Chaplain of Hi-Y and has attended Youth and Government for two years. Buddy has served on the Youth Traffic Court as Bailiff. He is a letterman in football and tennis and is a member of the Lettermen's Club.

STUDENTS RECEIVE CLASS HONORS

SALLEE AWARD

Miss Lin McJunkin
Mr. Larry Rawdon

The Sallee Award for the outstanding sophomore boy and girl went to Lin McJunkin and Larry Rawdon.

During her sophomore year here at Po-Hi Lin McJunkin was elected to serve as Student Council Representative from Mrs. Schoenwald's Homeroom. She is President of the Sophomore Girls' Glee Club. She participated in the annual Sophomore Assembly and is a member of the Dynamiters Pep Club. She will represent the high school next year as a cheerleader.

In September Larry Rawdon was elected Vice-President of the Sophomore Class. He presided as master-of-ceremonies at the annual Sophomore Assembly. He served as Student Council Representative from Mrs. Eskew's Homeroom. Larry is a member of the orchestra and was elected to participate in the All-State Orchestra. This spring Larry was elected to serve as the prosecuting attorney of the 1965-66 Youth Traffic Court.

STATERS STUDY GOVERNMENT IDEAS

In March of each year the Junior Class selects nominees to attend Girls' State and Boys' State. The nominees present speeches to various men's and women's civic organizations who in turn select the girls and boys they will sponsor. The American Legion also sends one girl and boy from the American Legion Home School. The Girls' State and Boys' State program is sponsored by the American Legion and American Legion Auxiliary.

Girls' State and Boys' State is held each year during the first week in June. Girls' State delegates meet at the Oklahoma College for Women campus in Chickasha while Boys' State delegates convene in Edmond at the Central State College campus.

The purpose of Girls' State and Boys' State is to help the leaders of tomorrow become acquainted with, and better understand how the state government functions.

The National Honor Society was established for those who are excellent in character, leadership, service, and scholarship. To be eligible for N.H.S. a student must have a "B" average. If a student meets this qualification he is then rated by all the faculty members on his character and leadership qualities, and on his service to the school. A student has three opportunities to qualify and be initiated into N.H.S., the second semester of his junior year and both semesters of his senior year.

This year the members of N.H.S. performed a great service to the school by serving as referees and scorekeepers for the intramural volleyball tournament.

The National Spanish Honor Society was established to encourage excellence in Spanish. To qualify, a Spanish student must have three semesters of "A" work in Spanish. Their motto is "Todos a una" which means "altogether."

JOURNALISTS JOIN QUILL AND SCROLL

Quill and Scroll, an international honorary society for high school journalists was organized April 10, 1926, by a group of high school advisers for the purpose of encouraging and rewarding individual student achievements in journalism and school publications. Since that time over 8000 charters for Quill and Scroll organizations have been granted to high schools throughout the world.

Quill and Scroll Honor Society for Journalists was established at Ponca City High School in 1964 by Mr. Paul Ingersol and Mrs. Carolyn Peterson. This year eleven new members were initiated into Quill and Scroll. The initiation ceremony was held February 15, 1965, in the Little Theater. It was conducted by the seven senior members, Miss Anna Anderson, sponsor of the *Poncan*, and Mr. Paul Ingersol, sponsor of the CAT TALE. The initiation ceremony consisted of the lighting of the candles of loyalty, truth, service, scholarship, leadership, honesty, and courage, and the presentation of Quill and Scroll membership pins and cards. Following the impressive ceremony the members and their parents were entertained with refreshments. Among their activities this year, the Quill and Scroll chapter sponsored a dance after one of the basketball games.

Quill and Scroll members Kathy Gardner and Myra Dritch put up posters for the CAT TALE Autograph Party.

Representing Ponca City Senior High School this past school year at two local civic clubs were the sixty-four student Lions and Rotarians. The students were nominated by the teachers and selected by an executive committee composed of faculty members and Mr. Anderson. Students were selected for their outstanding leadership, scholarship, and service to the school. It is their duty to inform the members of the two civic clubs of the activities of the students at Ponca City Senior High for the week past and to promote better relations between the businessmen of Ponca City and students of the high school. Eight students were selected for each month for eight of the months school was in session. A boy and a girl were sent to the weekly meetings of each of the two clubs for two weeks.

The two students discussed the current activities at the high school, the boy reviewing the athletic events, scores and records past and upcoming, and the girl reporting on club activities, band and orchestra concerts, homeroom intramurals, and scholastic awards and achievements.

The students attending the Lions' Club were entertained at a luncheon at the Quo Vadis Motel on Wednesday of each week, while the student Rotarians attended a luncheon at the Jens Marie Hotel on Monday.

At the end of the school year all of the students who had been student Lions or Rotarians attended the meeting in their respective clubs and presented the program which consisted of each student telling his plans for the summer, and which college he planned to attend.

One of the most unique traditions to originate in Po-Hi is the very popular "walking the halls" before school in the morning. Of the many this unusual habit.

SCHOOL LIFE

The most treasured and irreplaceable facets of high school life are those intangible incidents that can never be forgotten—nor quite remembered.

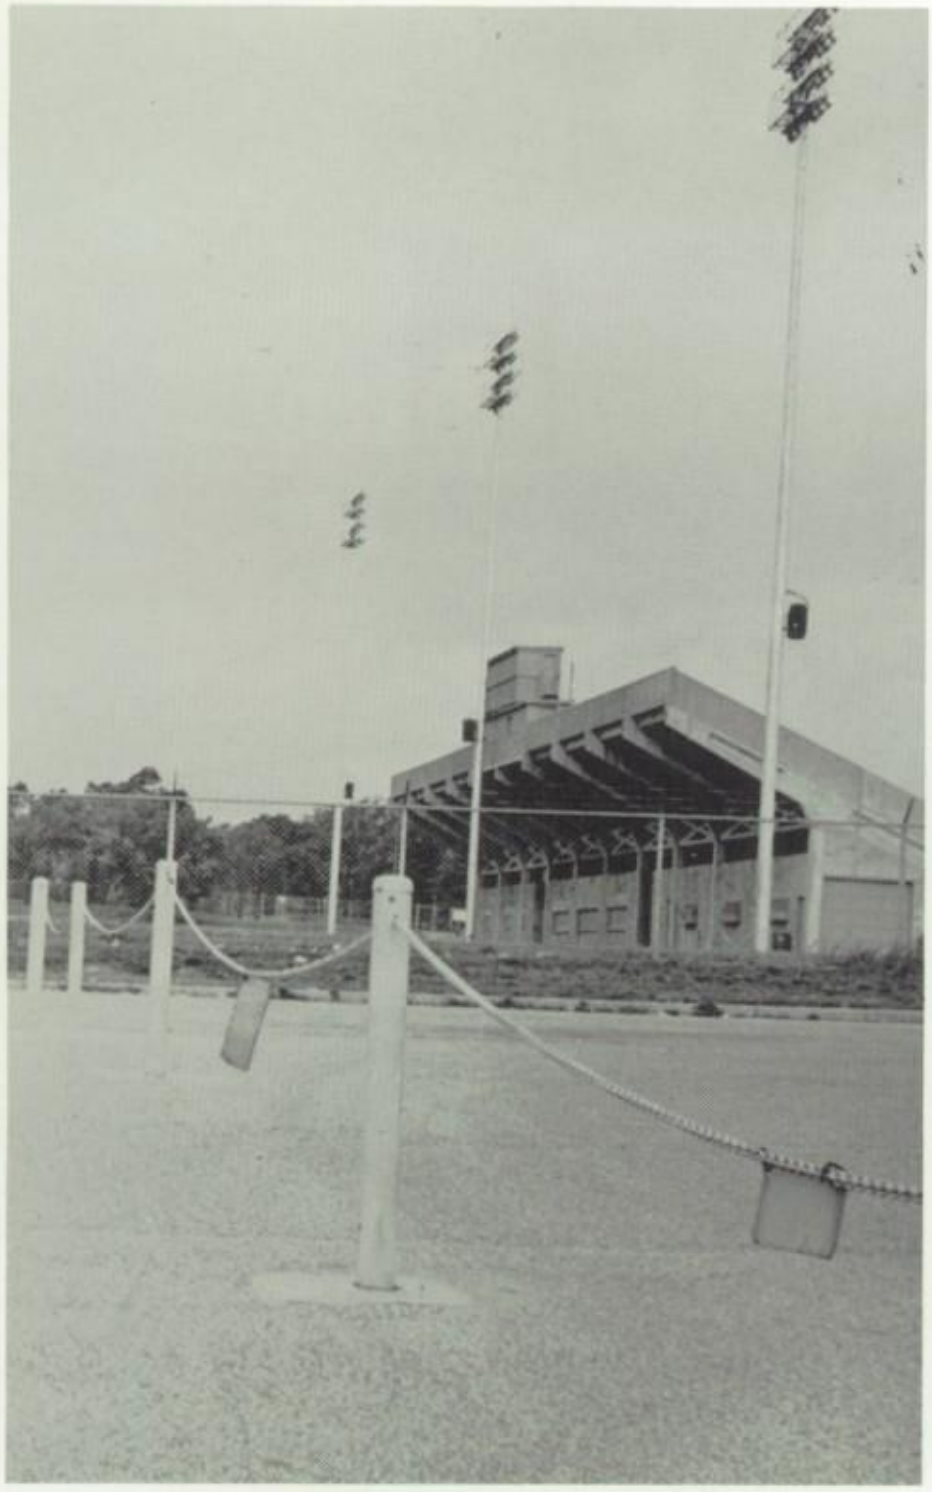
What one experiences at Po-Hi can be recalled, but never re-enacted, for the feeling of youthful enthusiasm cannot be assumed. The unrecorded effects of a school day, a familiar smile, the automatic turning to a locker combination, a repugnant odor from the chemistry class, the unseen faces passing through the cafeteria line, the complaining whine of a disobedient motor, make attending Po-Hi a way of life to its students.

The life of a school can in many respects be compared to that of a man, for its activities, too, are of little importance but to those directly connected with it. Each student, perhaps against his own will, is an

schools in the state, we in Ponca City are probably the only one which practice

intricate part of his school. The ties that bind him are invisible and often unacknowledged, but essentially permanent. A student's three years at this school help him form attitudes, opinions, prejudices, and goals that will remain a part of his personality. A school's life is no more than a mass composite of the lives of its students.

This School Life section of the 1965 *CAT TALE* ultimately becomes a brief glimpse into the past. For this purpose it was intended. It has attempted to reflect an atmosphere which is prevalent in Ponca City High School—the unconquered vivacity of youth. Tradition has proved that enthusiastic young people have made our nation a land of greatness. Surely today's Po-Hiers will help it retain its glory.



"Don't fence me in" is sung in vain as students return to the newly remodeled campus.

These attentive sophomores viewed many inspirational biology films.

Fall brings Po-Hi a new group of sophomores to be inducted into its endless cycle. They comb neighborhoods selling Curtis magazines, witness the booming pep rallies, and entertain their upper classmen at an assembly. Their elders view autumn as the half-way mark or the beginning of the end with many yearly activities to anticipate. Whether ascending Po-Hi's stairway to the future for the first time or returning to its familiar corridors, fall provides the opportunity for all to begin anew.

Spring, summer, winter, or fall, Mrs. Leslie Rardin has a costume for all occasions.

IN WINTER EVENTS

Each winter finds our school organizing mid-year activities. From the first snowfall to the onset of spring, many of the memorable occasions of the term take place. The holiday canned goods drive, the Christmas assembly and homeroom parties, the Junior Miss pageant, and the Leap Week activities contribute to the congenial, brisk atmosphere that follows fall uncertainty and precedes spring restlessness.

The renowned "Wacky Racketeers", Karole Sanders, Peggy Alston, Lynda Kern, Judy Cohenour, and Diana Brown, pose with the leader of their mob, Maw Barker, alias Lynda Petty, for the senior assembly.

SPRING AFFAIRS

Spring is nature's time of awakening—and Po-Hi undergoes a similar transition. As the campus becomes revitalized with green grass and snowy spirea bushes, the students' enthusiasm is likewise affected. This spring saw many traditions initiated. Our new principal was elected, the first annual Senior Night was celebrated, Ton-Ga-Wa-Tsi festivities were held in the Hutchins Memorial, and interested students organized the Moral Rearmament "Dare Club." With the student council and class officers elected, cheerleaders chosen, outstanding students named, and yearbook and newspaper staffs selected, the Po-Hi student body saw spring become summer and left their school a "stronger and nobler" one.

When an alumnus looks back on his experiences as a Po-Hi student, he will surely recall the Ton-Ga-Wa-Tsi which climaxes each year's social activities. The 1964-65 Junior-Senior prom, decorated on the theme of "Detour d'Amour," tour of love, was held May 21 in the Hutchins Memorial.

Each year the prom night festivities begin with two juniors opening their homes to all who attend the dance. This year the pre-prom parties were held in the homes of Mr. and Mrs. Jack Paris, assisted by Louise Paris and Jim Yeaman, Penny Johnson and Richard Hudson, Linda Skinner and Dana Johnson, Ann Lembke and Jim Beaubien, Nancy Edwards and Lynn Moore, Sigrid Spencer and Jim Nickles, and Linda Brown and Robert Paden; and Dr. and Mrs. V. C. Merrifield, assisted by Karen Hillhouse and Vernon Merrifield, Karen O'Connor and Gary Watson, Lana Gillespie and Gary Castleberry, Jerilyn Lucas and Jim Sharrock, Lelia Beth Dewey and James Kirk, and Luana Locke and Buddy Robertson.

The dance itself began with the crowning of Princess and Prince Po-Hi, Anne Hutchings and Gary Watson, and the Grand March.

Following the prom the junior and senior parents entertained at an After-Prom party in the Continental Gym. Swimming, ping-pong, dancing to the music of the Druids, and just talking and eating were available to the guests.

Although the school sponsored activities ended at 2:00 A.M., the enthusiastic couples continued their celebration until breakfast time, as they traditionally do . . .

Ponca City High School's Class of 1965 was graduated at commencement exercises June 3 in Blaine Stadium. Vesper services the previous Sunday initiated the final school week which was climaxed with the traditional diploma presentation.

The 510 seniors circled the stadium to the processional "Pomp and Circumstance". Mr. Homer Anderson, principal, presented the class and spoke of their achievements while at Po-Hi. Two veteran board members and Dr. Payne presented the students' diplomas. The mixed chorus, directed by Mrs. Leslie Rardin, presented "No Man is An Island" and "Oh God Our Hope in Ages Past" in salute to the graduates.

In addition to the traditional ceremonies, this year's

Mr. Anderson, retiring principal, speaks of the seniors' impact on Po-Hi.

Vespers for the 510 graduates took place in the Hutchins Memorial.

Rev. Argus Hamilton of the First Methodist Church spoke on "If Thine Eye Be Single" at Vespers.

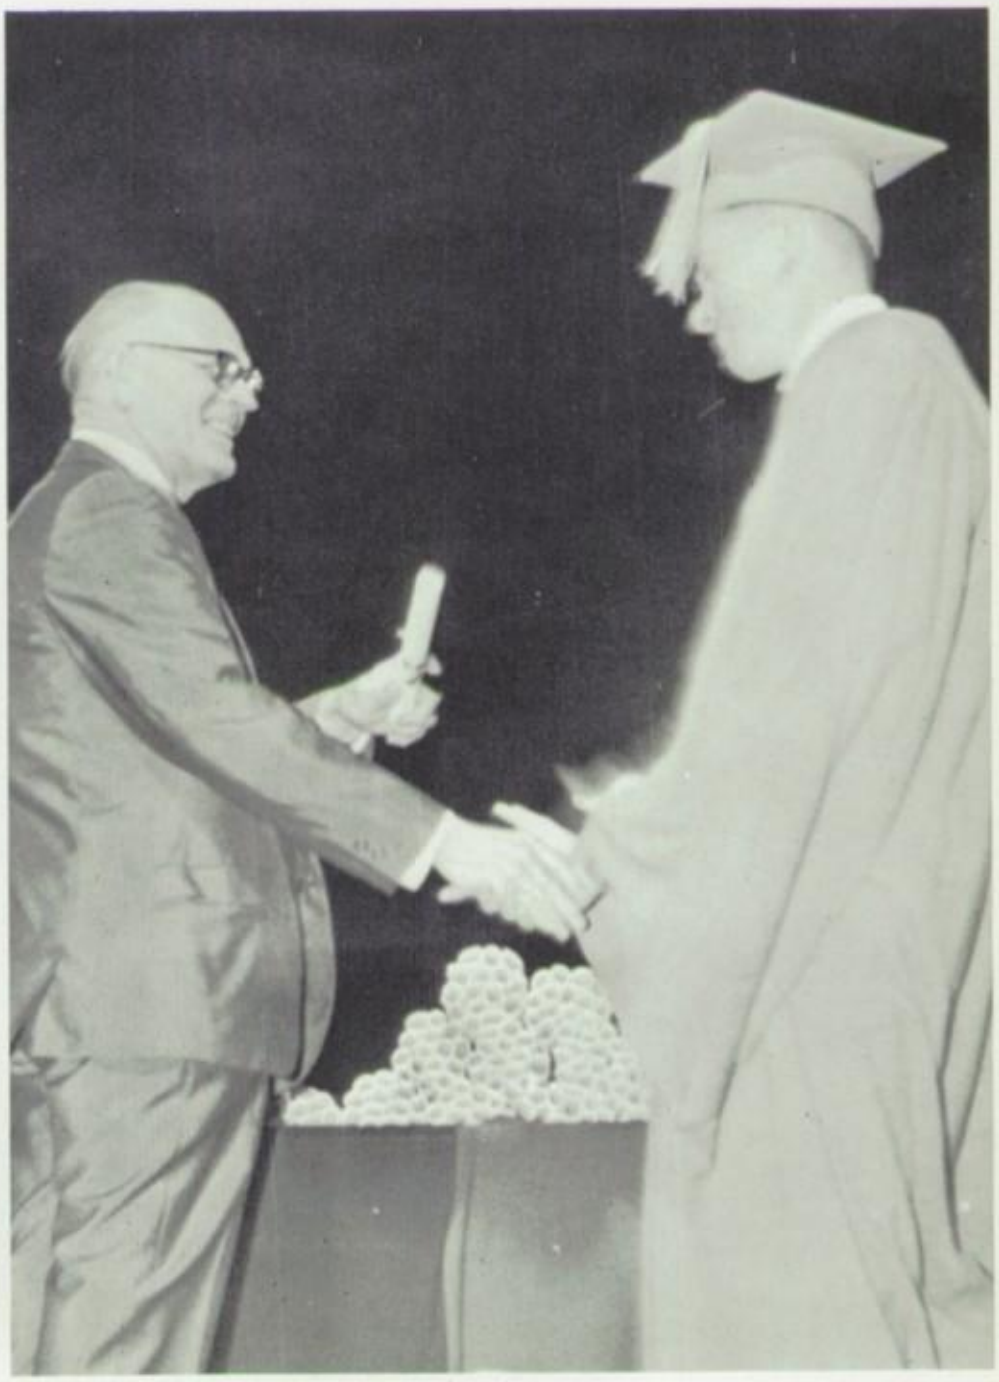
It is traditional for the Mixed Chorus to sing at Commencement as they did this year.

COMMENCEMENT HONORS SENIORS

commencement featured the presentation of the Freedoms Foundation at Valley Forge Award to Po-Hi by Mr. Goodwin P. Broaddus, Chamber of Commerce president, and special recognition of three retiring officials of the Ponca City school system: Mr. Homer Anderson principal 1935-1965, Dr. J. Win Payne superintendent 1946-1965, and Mr. E. M. Trout Board of Education member 1929-1965.

The graduation of the largest group of seniors in school's history was concluded with the traditional "Bon Voyage" written by Mr. Charles Cunning, the Benediction given by Rev. Thomas O. Moehle, and the Recessional, "Tannhauser March".

Diploma in hand, this grad returns his cap and gown to embark on a new life.



Mr. Cecil Jordan of the Board of Education congratulates seniors on their achievements.

WHAT IS PAST IS PROLOGUE

The Po-Hi graduate looks into the future at what the traditions set today will become.

Traditions..... to be remembered, to be cherished, to be perpetuated.

Traditions..... those customs and practices that give our school a distinctive personality and individuality.

Traditions..... the philosophy and ideals that serve as a foundation and background when decisions affecting the future are to be made.

Traditions..... scholastic honors, athletic success, school activities, recorded in the columns of the *Poncan* and the pages of the *Cat Tale* — all become a part of the history of the school.

Traditions..... those happy occasions, those bright moments in the life of Po-Hi: the Pon-Dram Panic, the Ton-Ga-Wa-Tsi, the Junior Play, the Senior Play, the Operetta, the Big Blue, the World Serious Mixed Volleyball games, all these are a part of the picture to be remembered.

Traditions..... those intangibles that illustrate best the true spirit of our school; honest work, generous comradeship, true sportsmanship, reverence for the spiritual, dedicated purpose, and unswerving loyalty.

Traditions..... all the things which have helped to make Ponca City High School what it is today because so many in the past did all within their power "to make her a stronger and nobler school".

—Homer S. Anderson

The 1965 *CAT TALE* Staff acknowledges its appreciation to all members of the faculty and student body of Ponca City Senior High School who have helped make this yearbook possible. Our special thanks go to Mr. Bob Westmoreland, Mr. H. O. Phillips, Mr. Barclay Curtis of the Taylor Publishing Company, Mrs. Reba Keller, the *Ponca City News*, and Buzz Venzke.
